

0. Les schèmes familiers

0.1. Schèmes du dé, grand format, jusque 6 et prolongement jusque 9, chiffres de 1 à 9

0.2. Schèmes du dé, petit format, jusque 6 et prolongement jusque 9, chiffres de 1 à 9

0.4. Schèmes dominos, grand format, force de 5

0.4. Schèmes dominos, petit format, force de 5

1. Les schèmes mains

1.1. Schèmes mains, grand format, photos

1.2. Schèmes mains, grand format, dessins

1.3. Schèmes mains, petit format, photos : tous les uns visibles (non globalisant)

1.4. Schèmes mains, petit format, dessins : tous les uns visibles (non globalisant)

1.5. Schèmes mains, petit format, dessins : globalisation de 5 et de 10

2. Les schèmes barres

2.1. Schèmes barres, grand format, tous les uns visibles (non globalisant)

2.2. Schèmes barres, grand format, globalisation du 5 et du 10

2.3. Schèmes barres, petit format, tous les uns visibles (non globalisant)

2.4. Schèmes barres, petit format, globalisation du 5 et du 10

3. Schèmes à points linéaires

3.1. Schèmes à points linéaires, grand format, tous les uns visibles (non globalisant)

3.2. Schèmes à points linéaires, grand format, globalisation du 5 et du 10

3.3. Schèmes à points linéaires, petit format, tous les uns visibles (non globalisant)

3.4. Schèmes à points linéaires, petit format, globalisation du 5 et du 10

4. Schèmes à points bilinéaires, F5 puis F2

4.1. Schèmes bilinéaires, grand format, F5, tous les uns visibles (non globalisant)

4.2. Schèmes bilinéaires, grand format, F5, globalisation du 5 et du 10

4.3. Schèmes à points, bilinéaires, petit format, F5, tous les uns visibles (non globalisant)

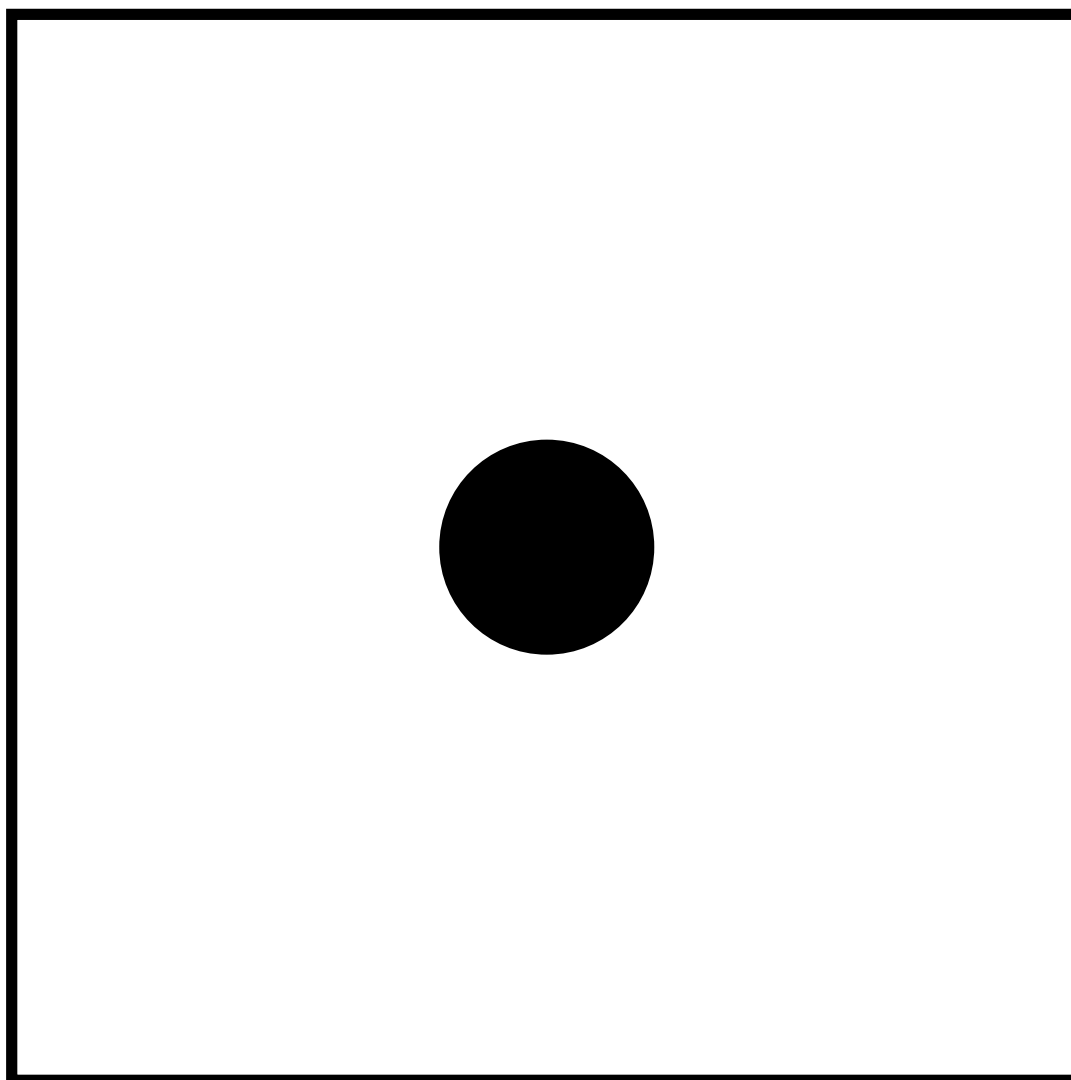

4.4. Schèmes à points, bilinéaires, petit format, F5, globalisation du 5 et du 10

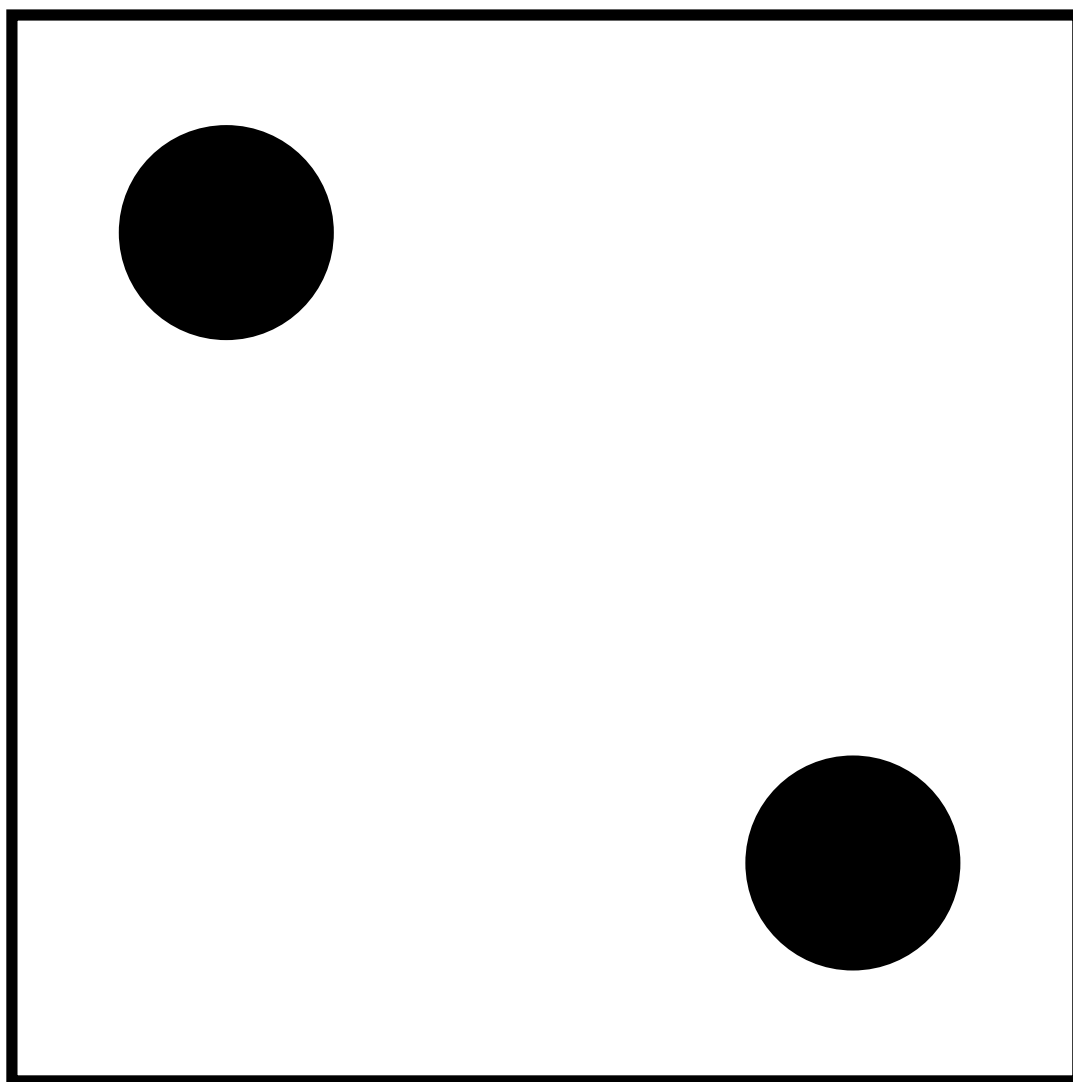

4.5. Schèmes à points, bilinéaires, grand format, F2

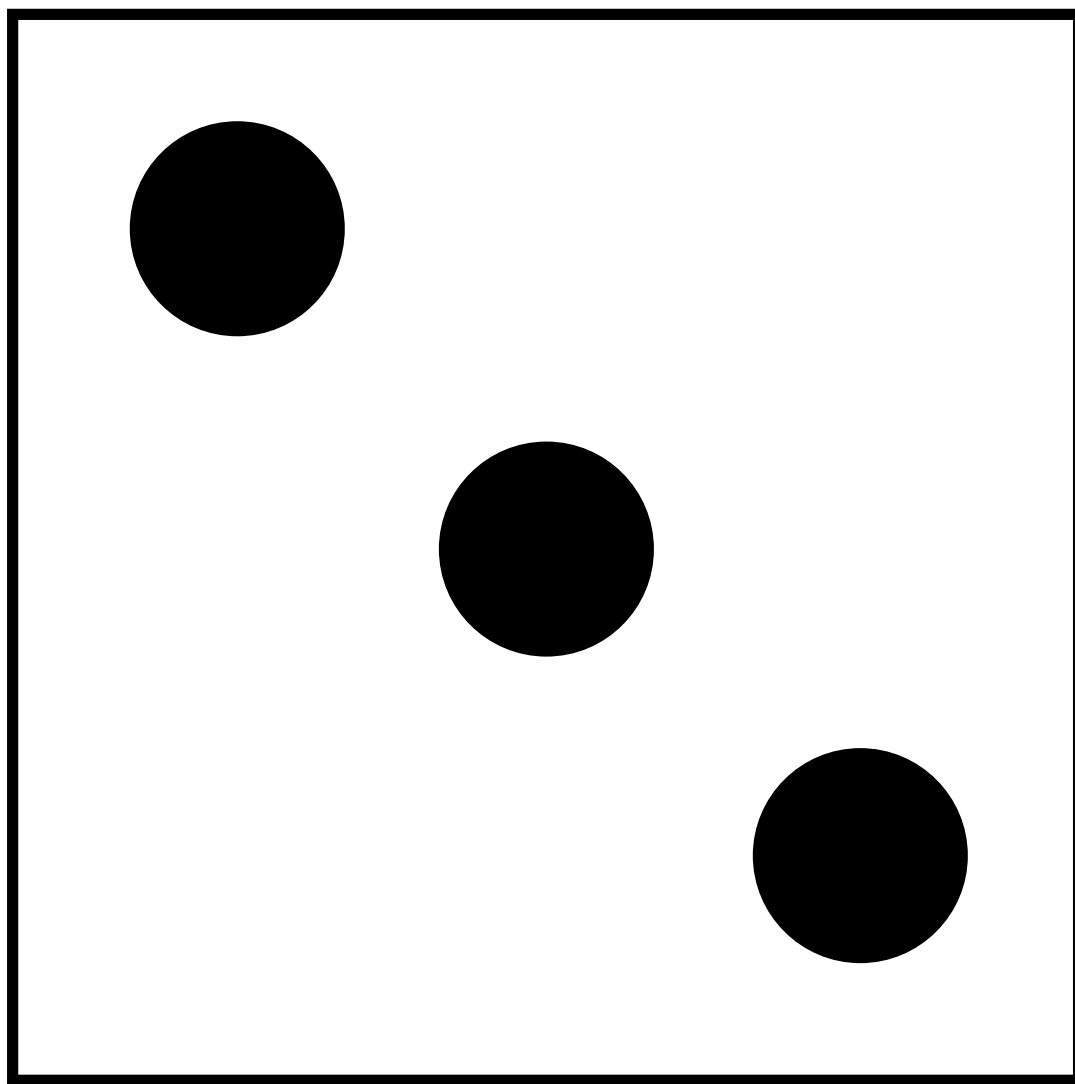

4.6. Schèmes à points, bilinéaires, petit format, F2,

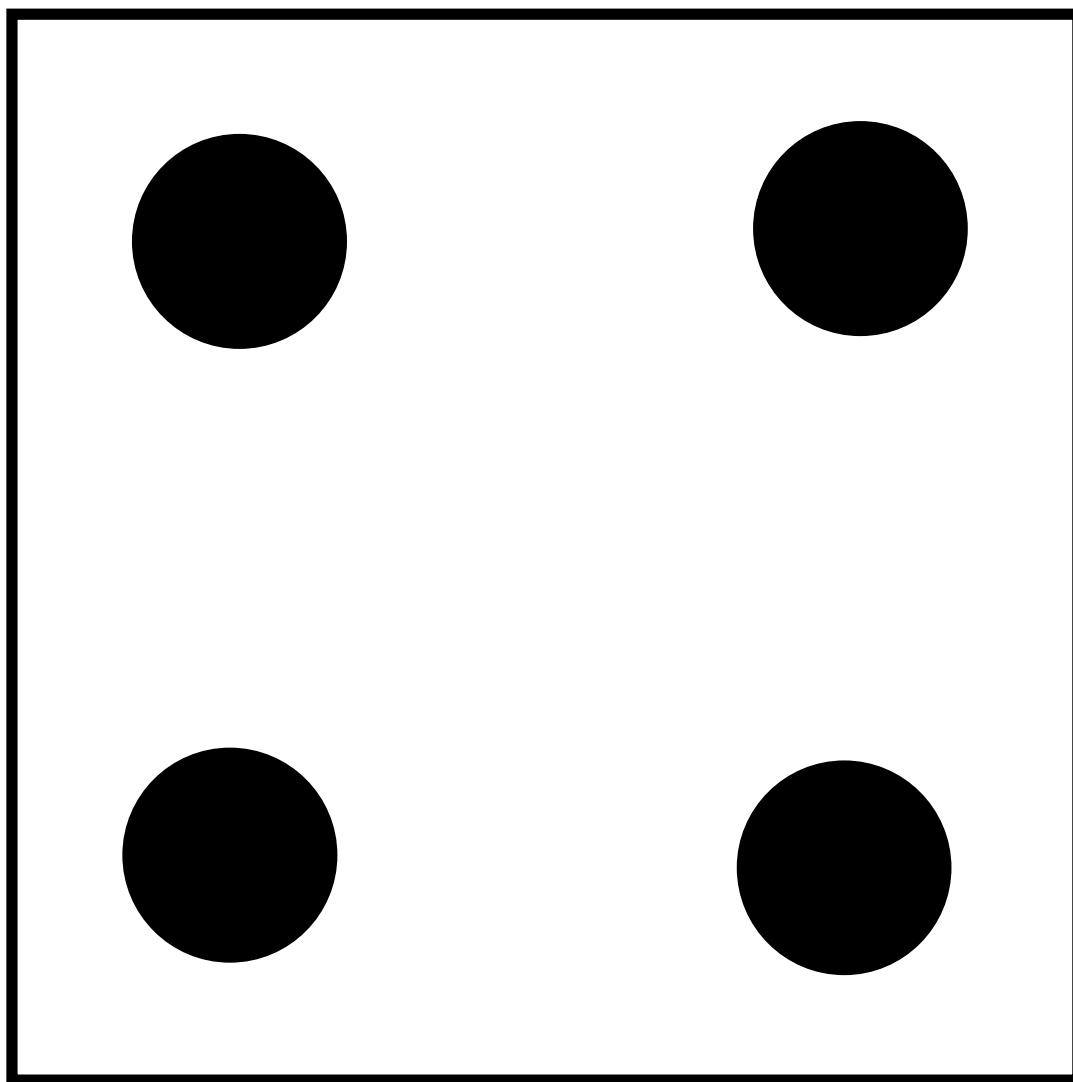

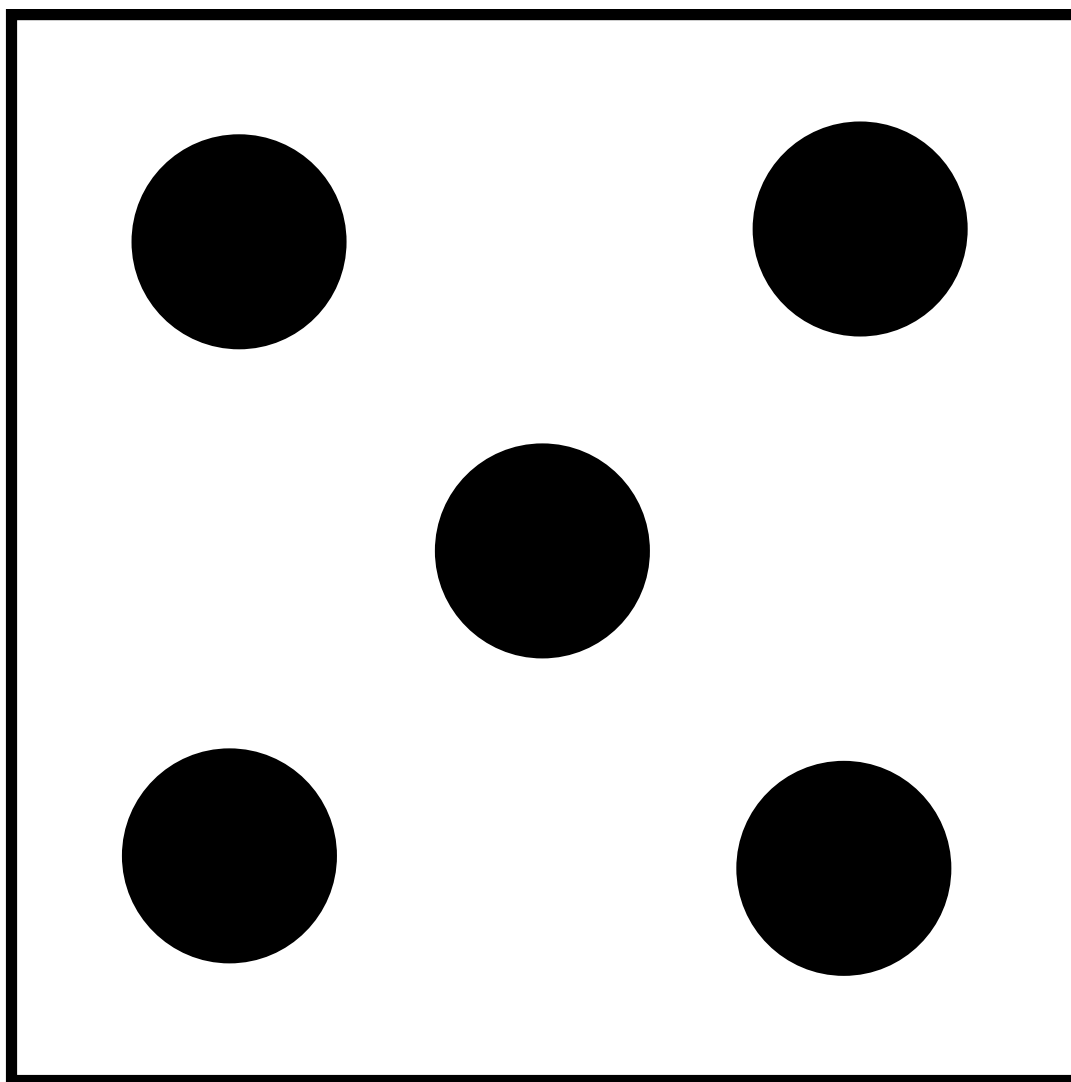

0.1. Schèmes du dé, grand format, et prolongement jusque 9 et les chiffres de 1 à 9

F. Lucas et A. Lambert

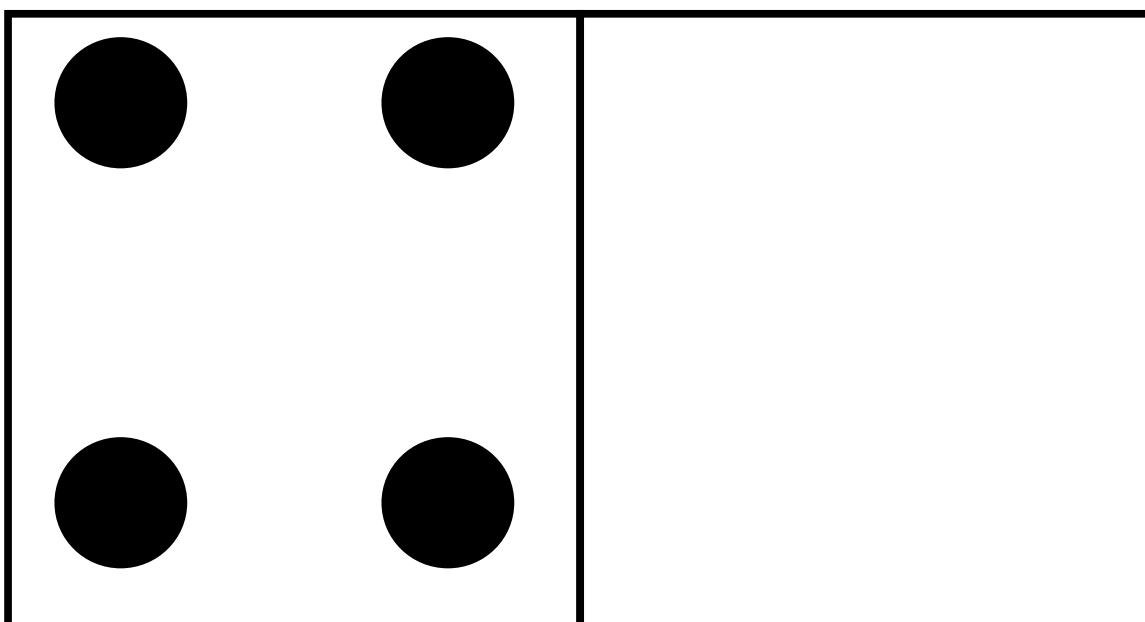

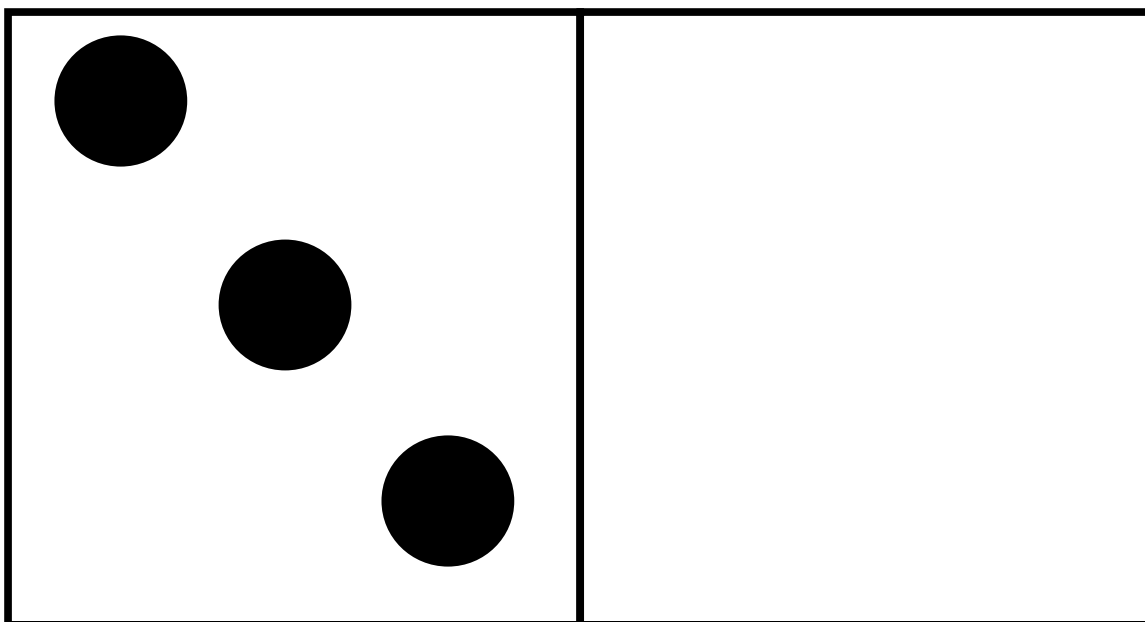

Matériel de représentation des nombres

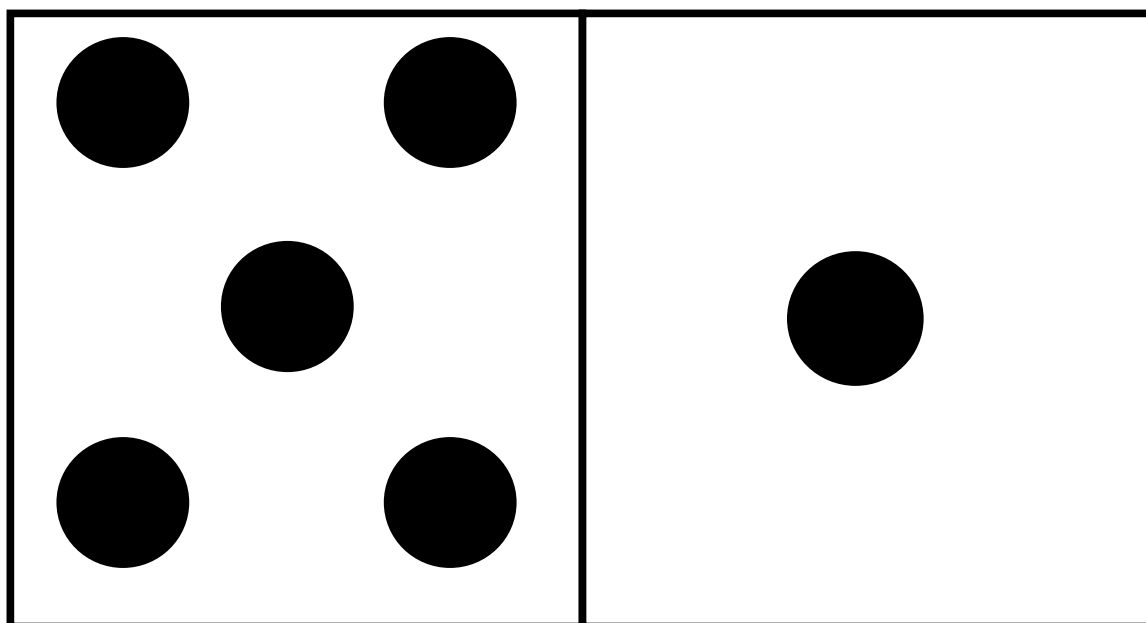

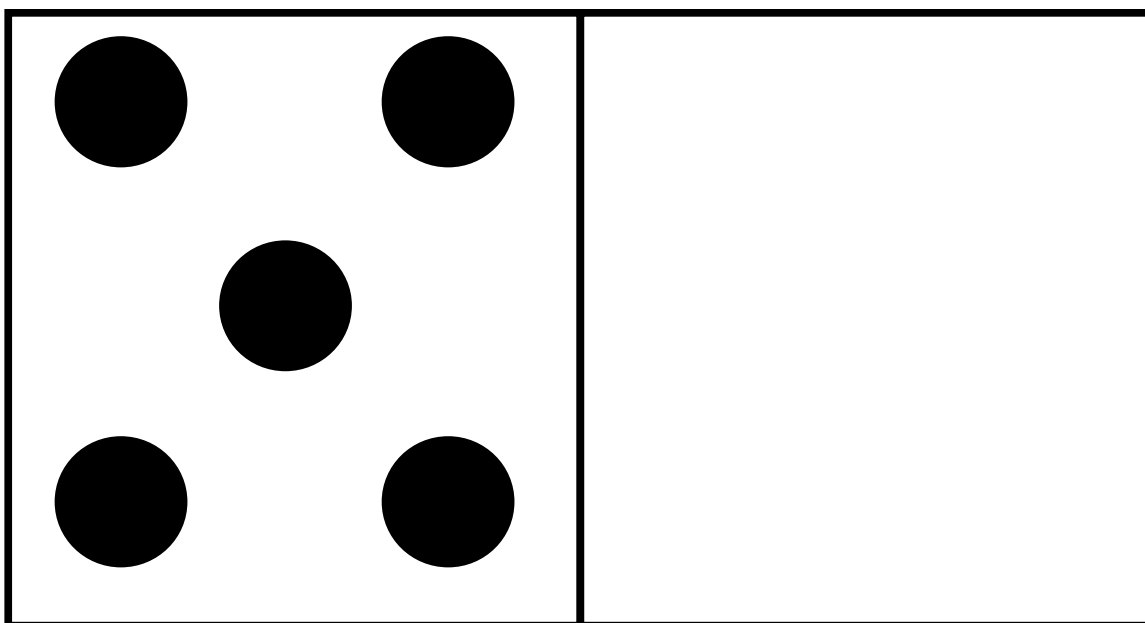

0.2. Schèmes du dé, petit format, jusque 6 et prolongement jusque 9 et les chiffres de 1 à 9

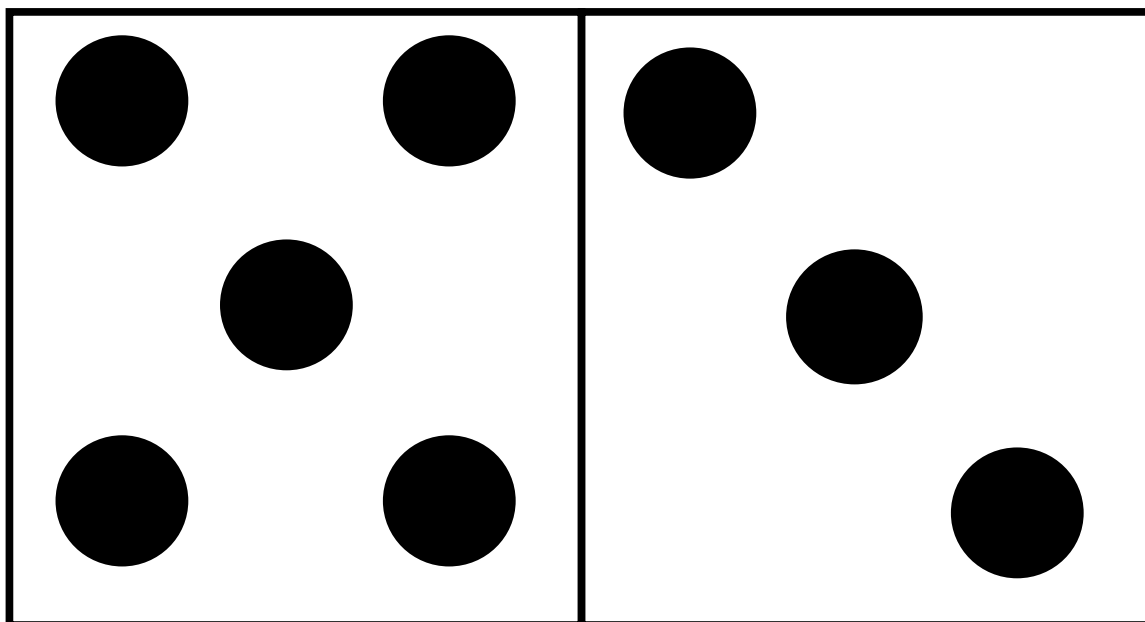

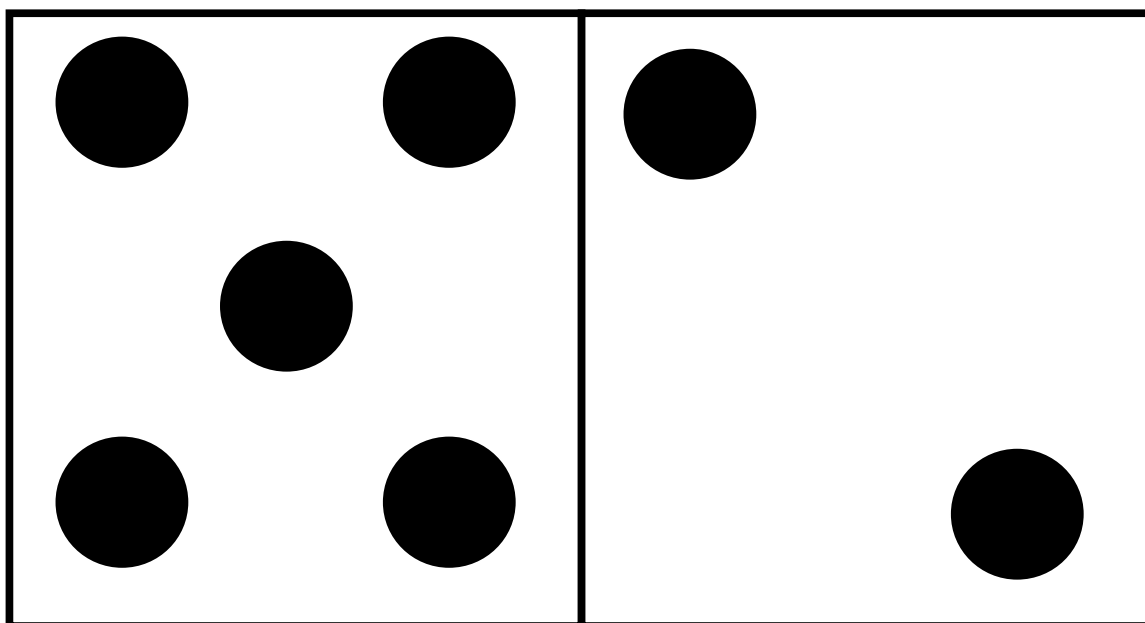

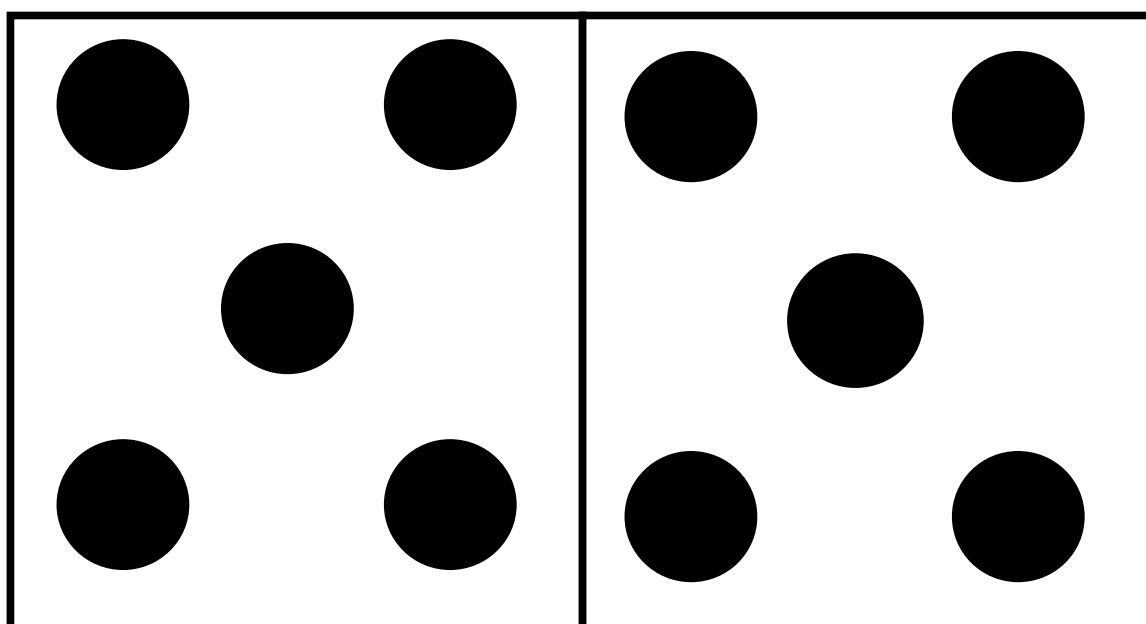

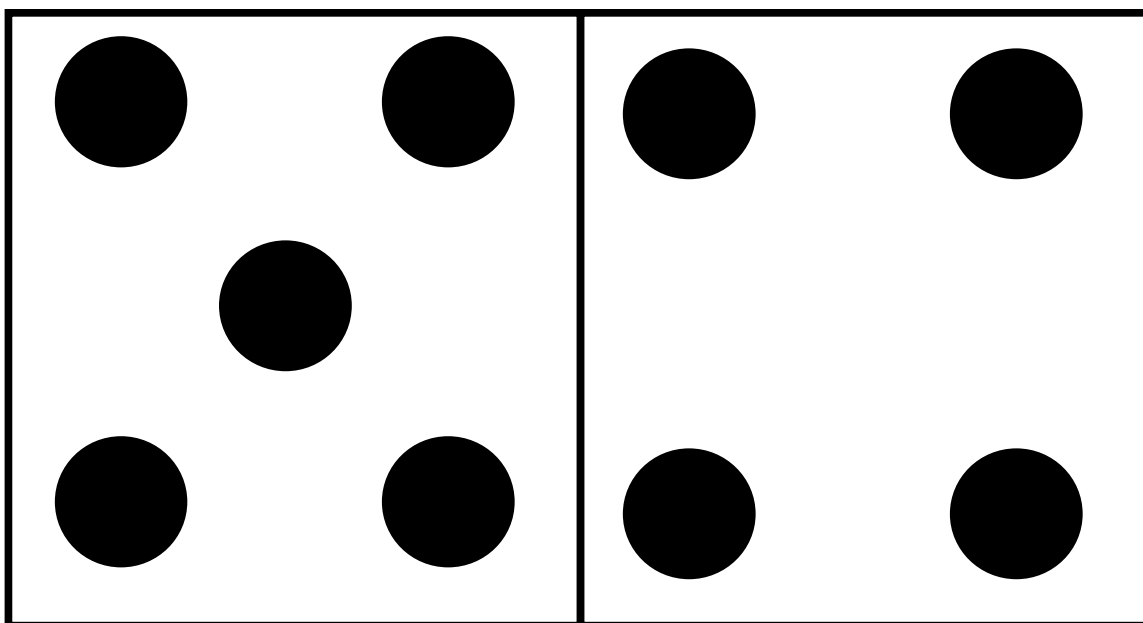

0.3. Schèmes dominos, grand format, force de cinq

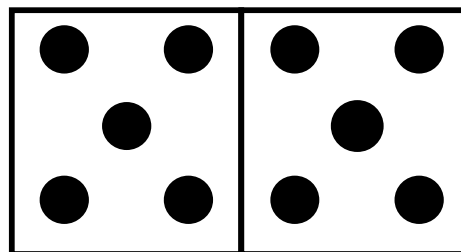

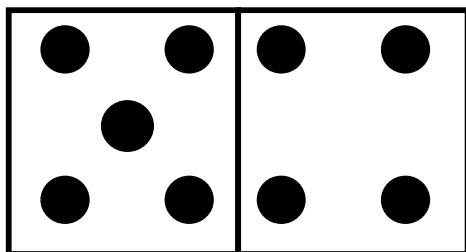

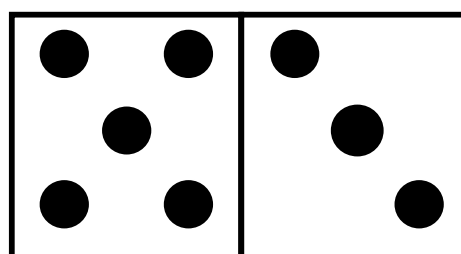

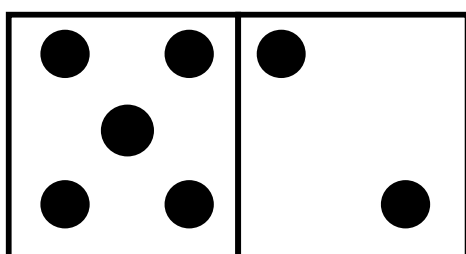

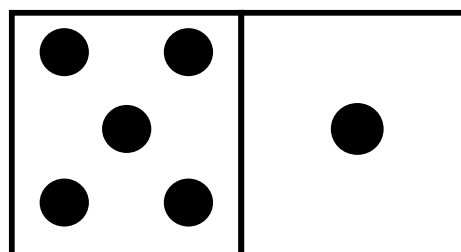

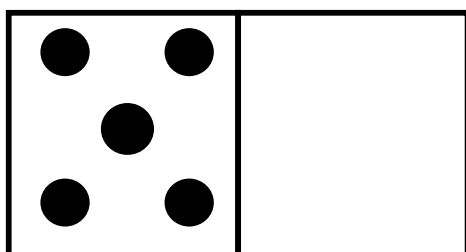

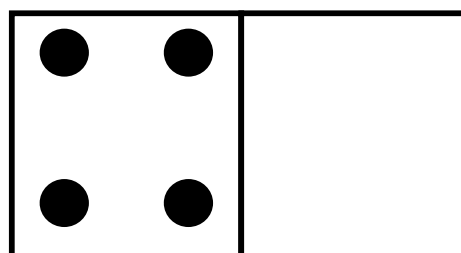

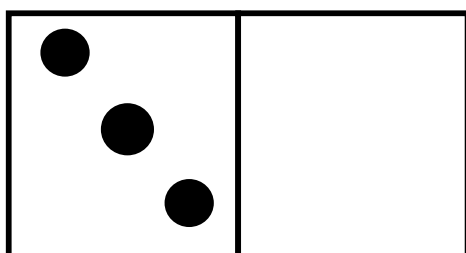

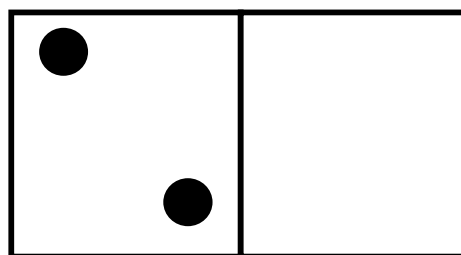

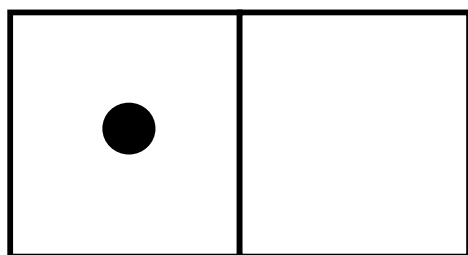

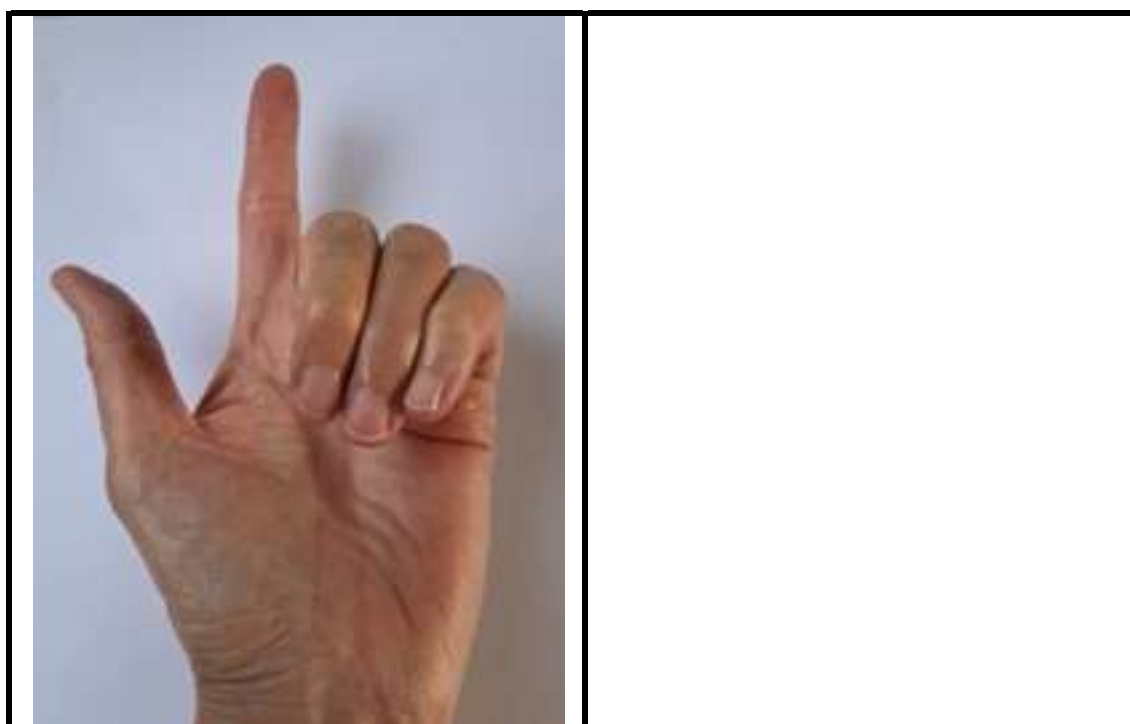

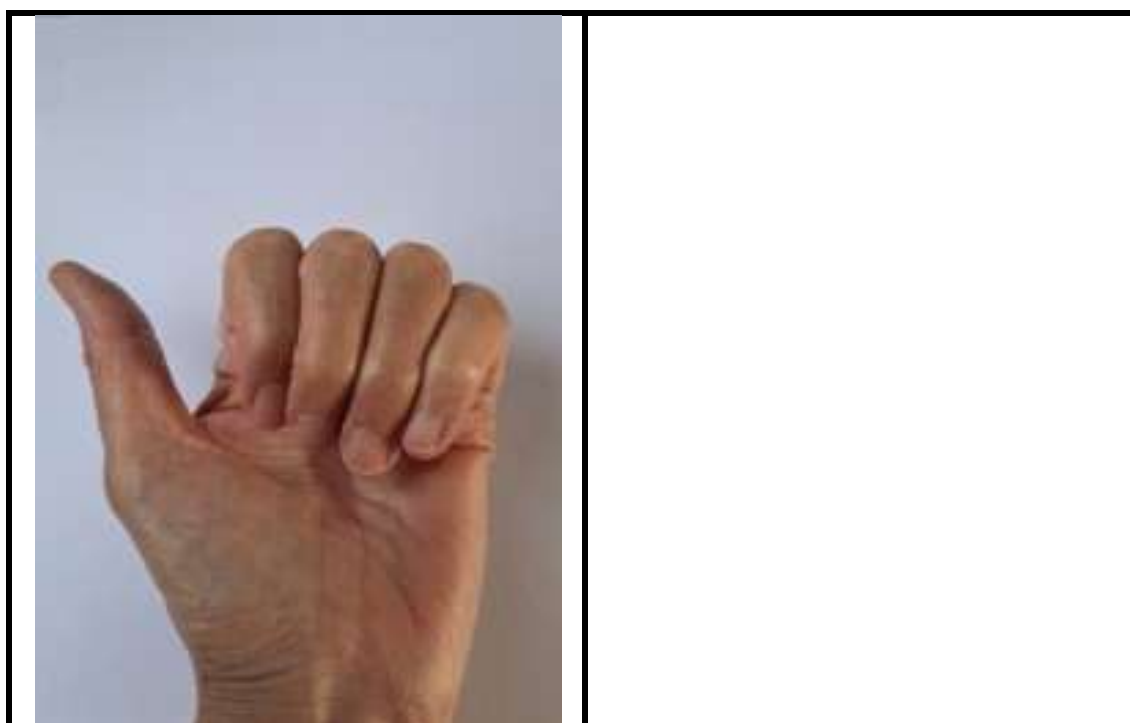

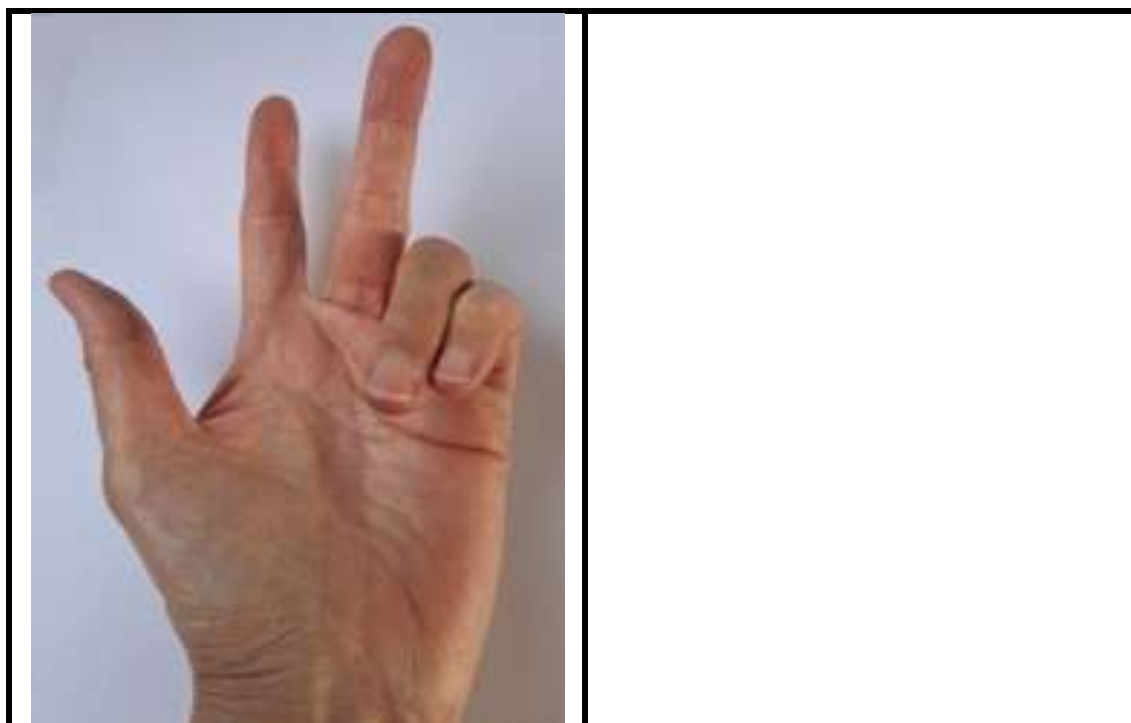

1.1. Schèmes mains, grand format, photos

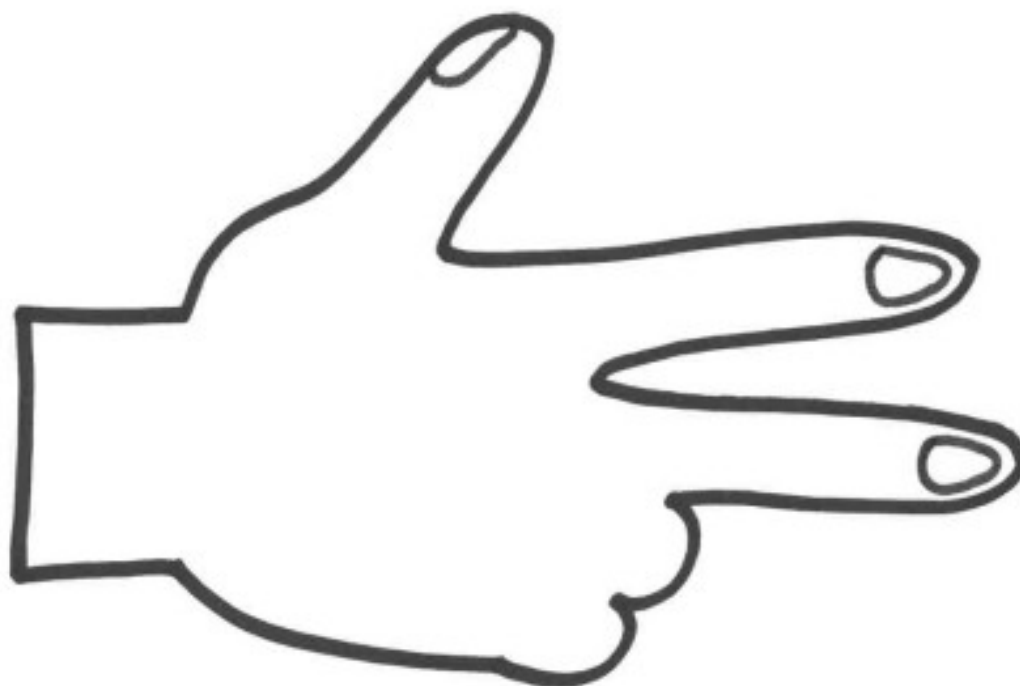

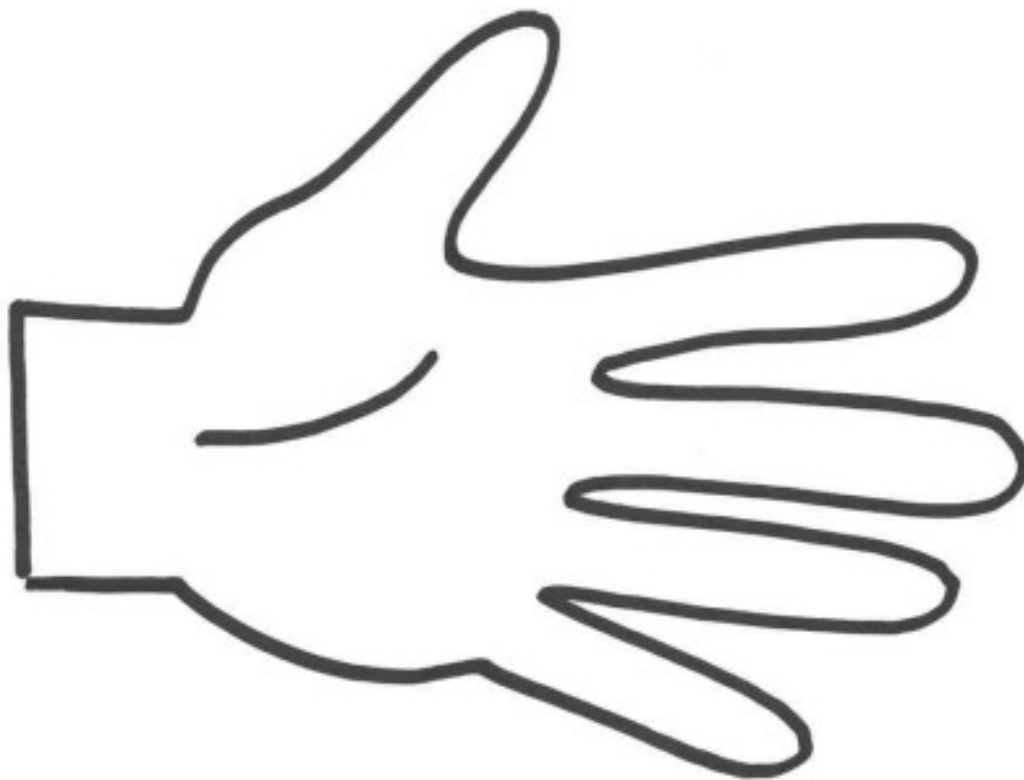

F. Lucas et A. Lambert

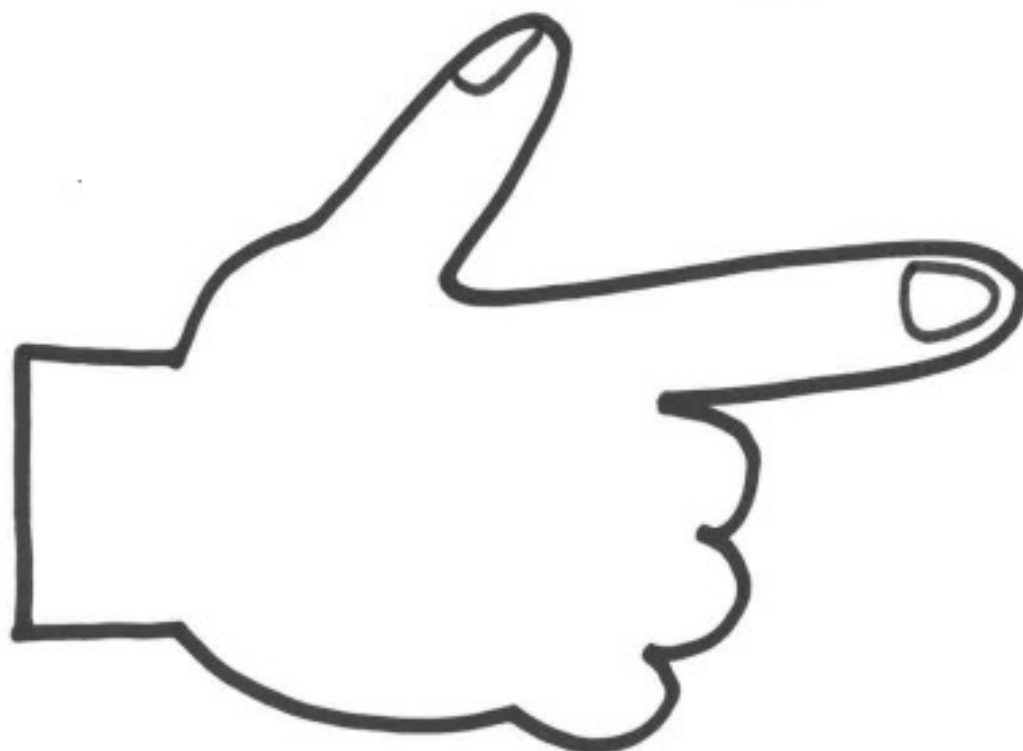

Matériel de représentation des nombres

1.2. Schèmes mains, grand format, dessins

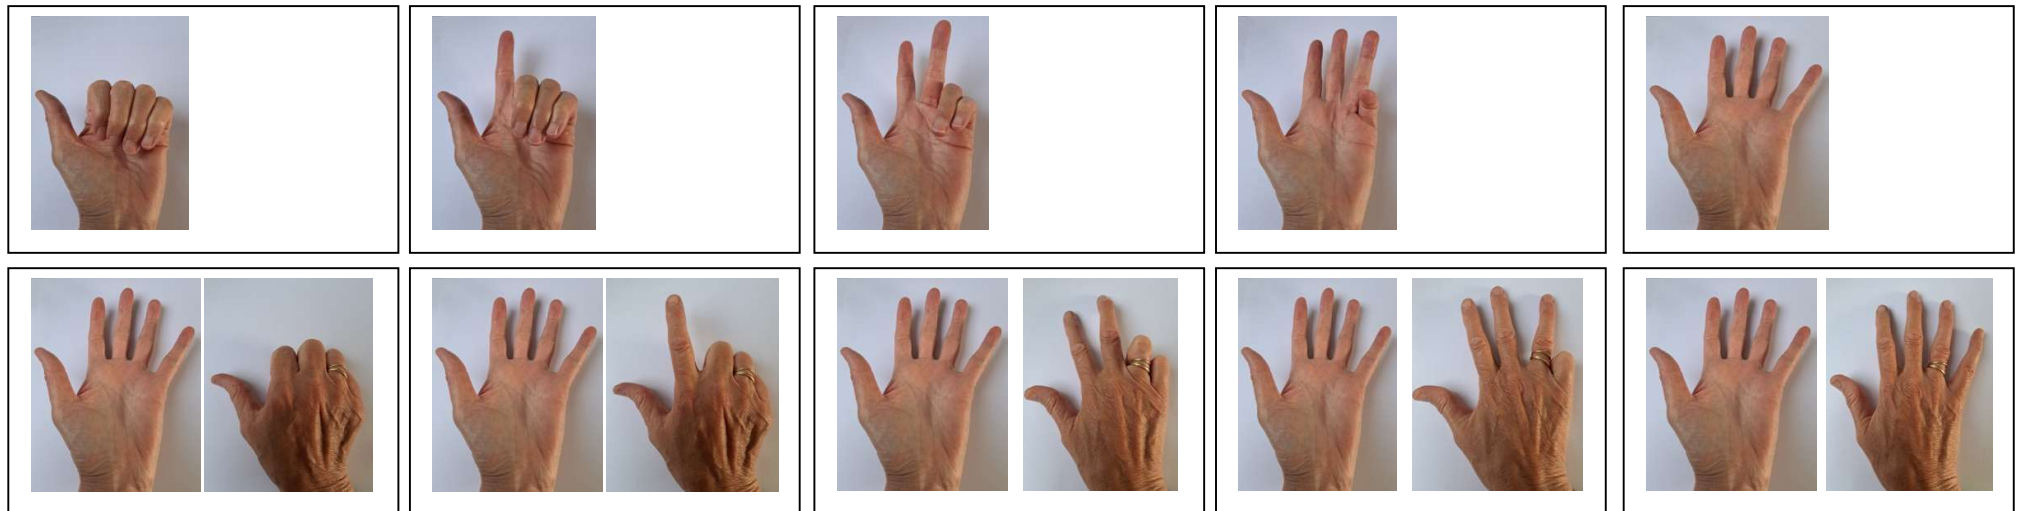

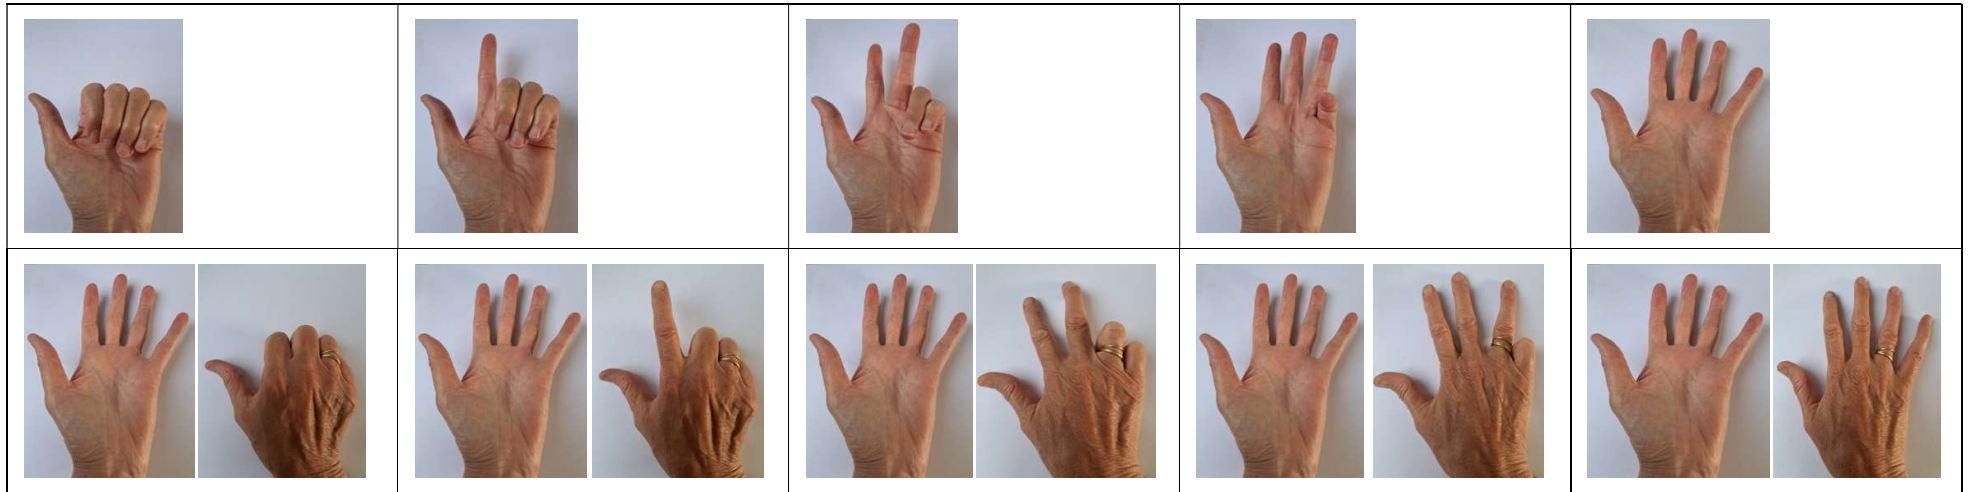

F. Lucas et A. Lambert

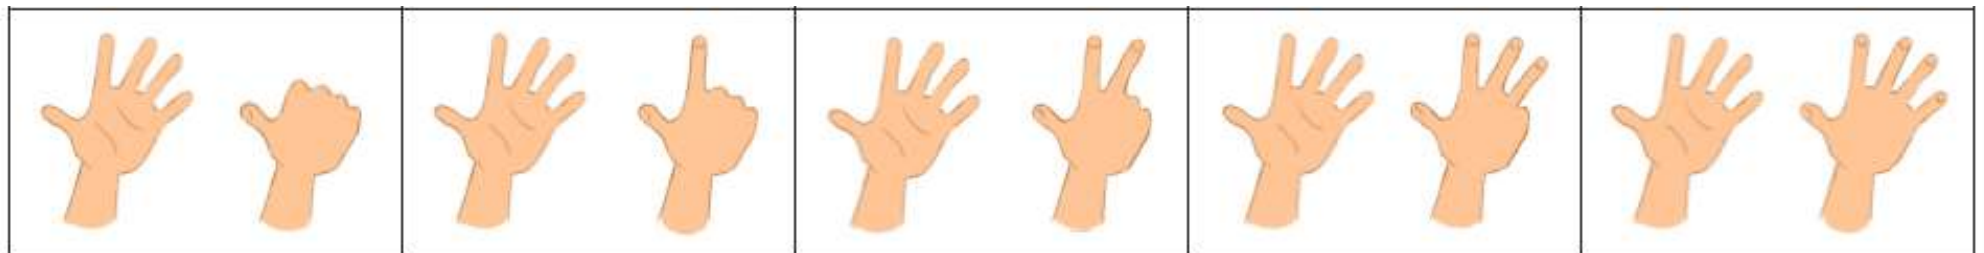

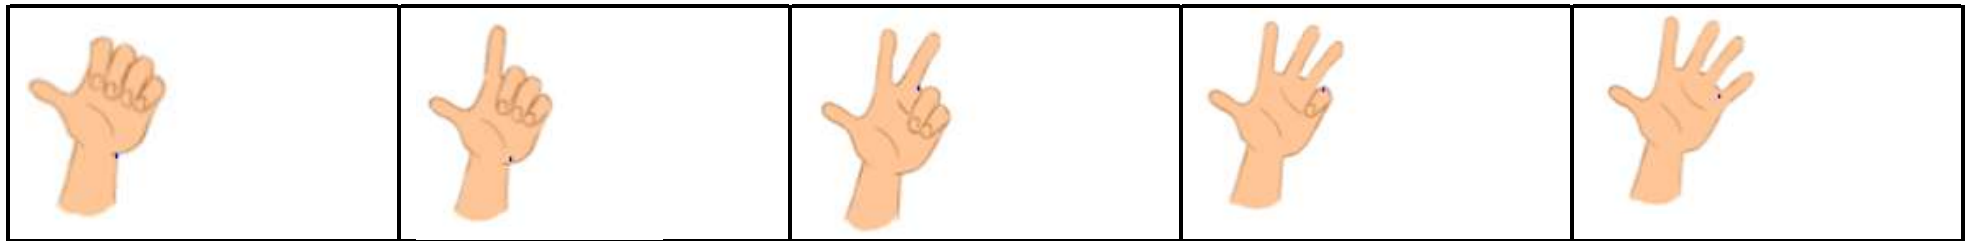

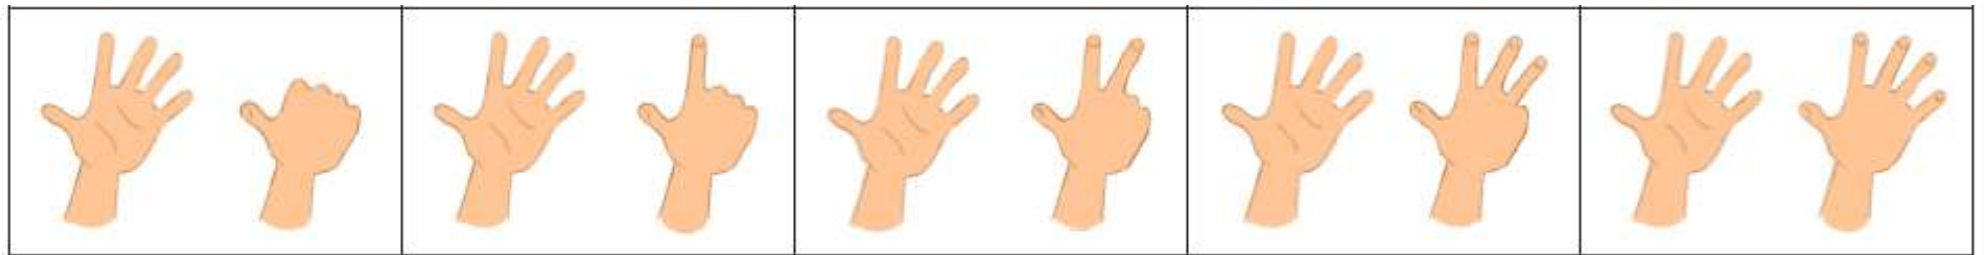

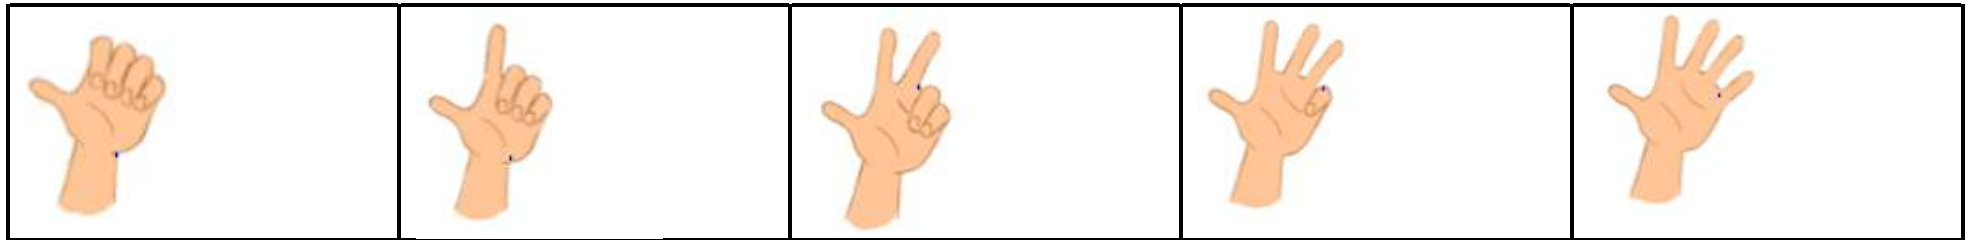

Matériel de représentation des nombres

Matériel de représentations des nombres

1.3. Schèmes mains, petit format, photos et dessins : tous les uns visibles (non globalisant)

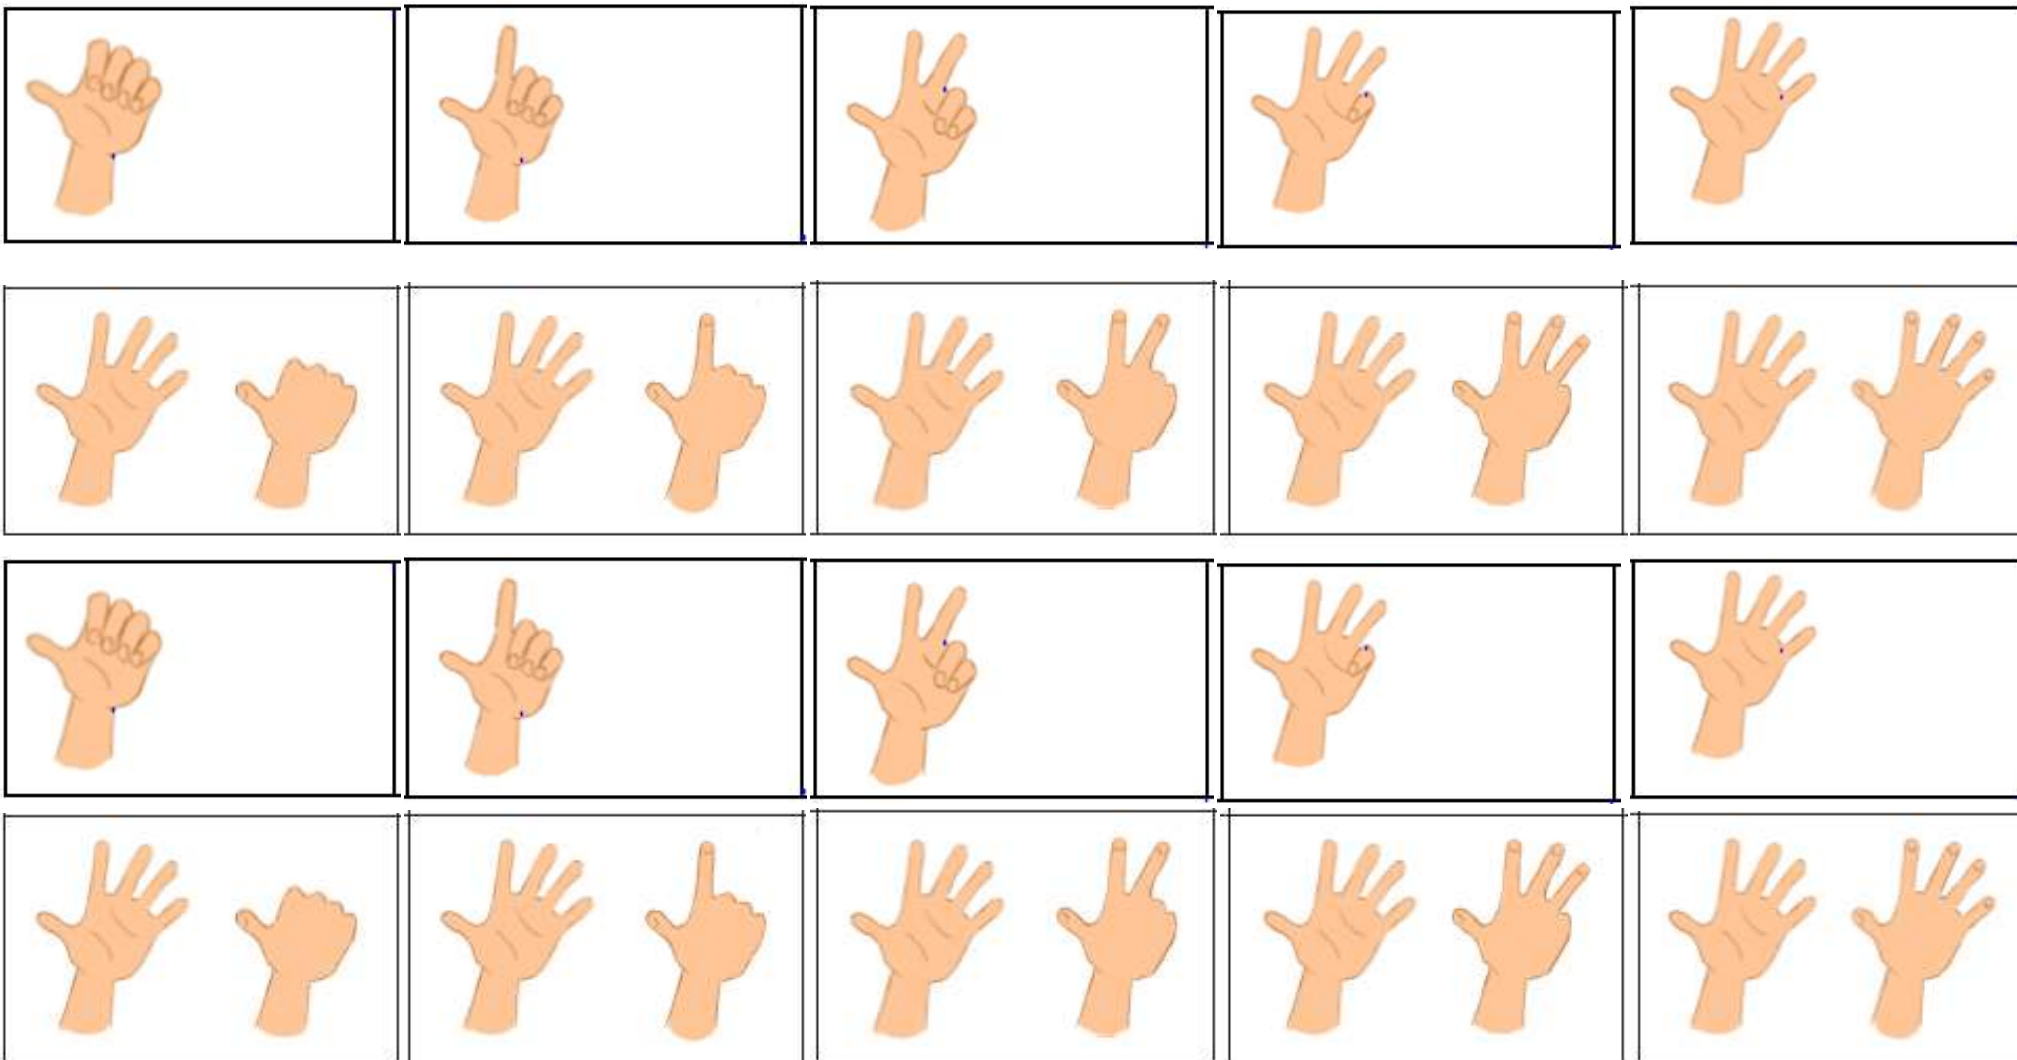

1.4. Schèmes mains, petit format, dessins : tous les uns visibles (non globalisant)

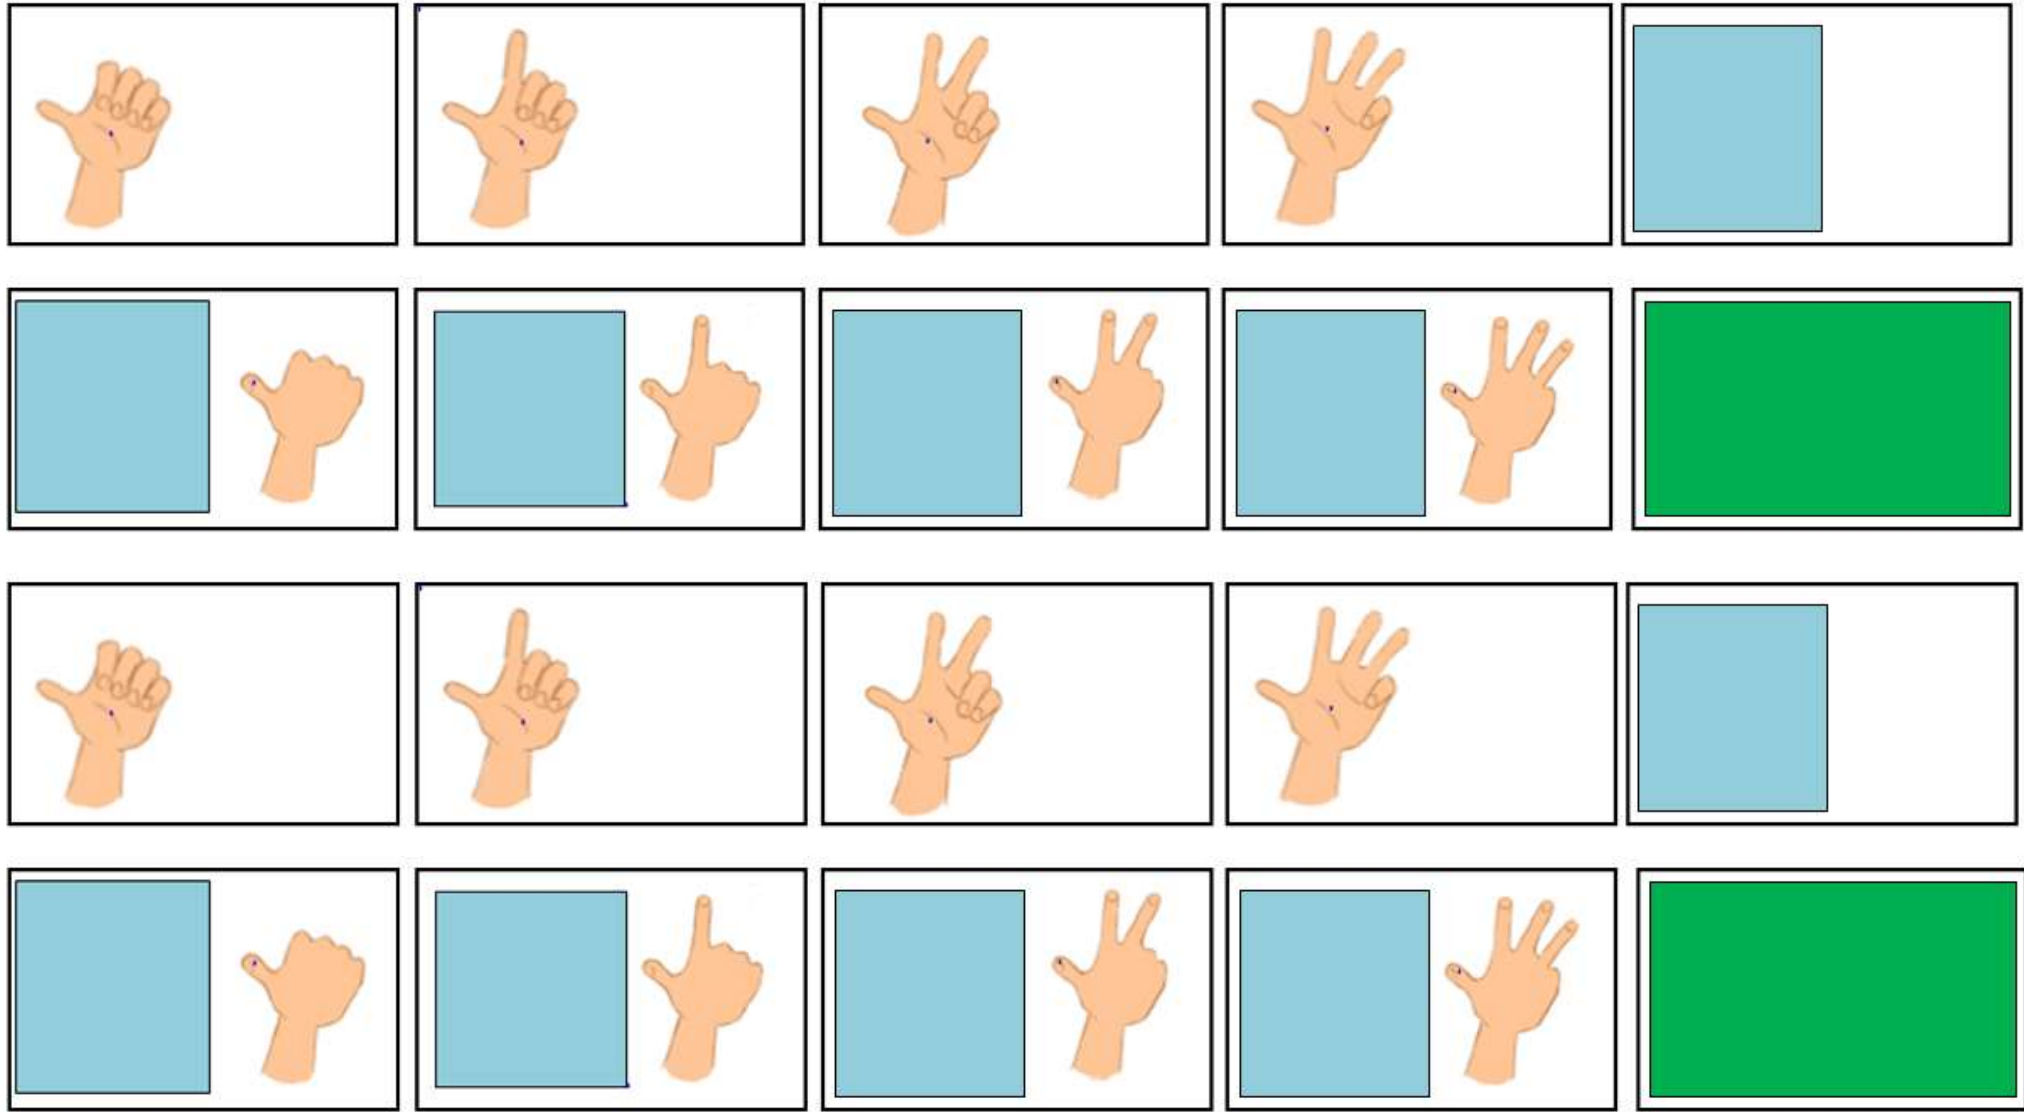

F. Lucas et A. Lambert

Matériel de représentation des nombres

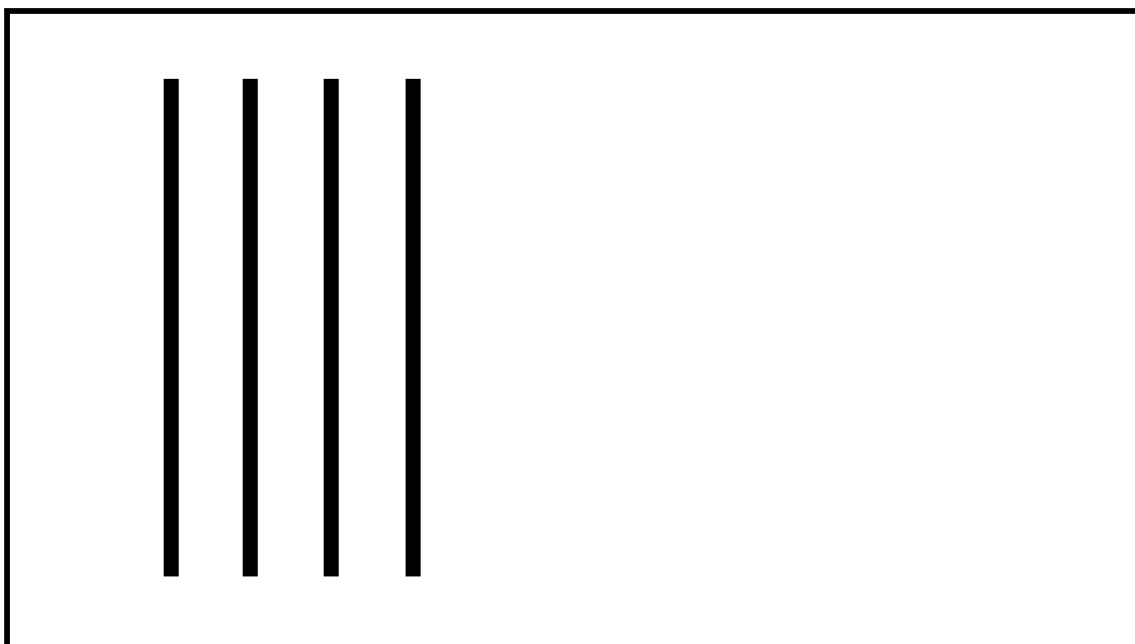

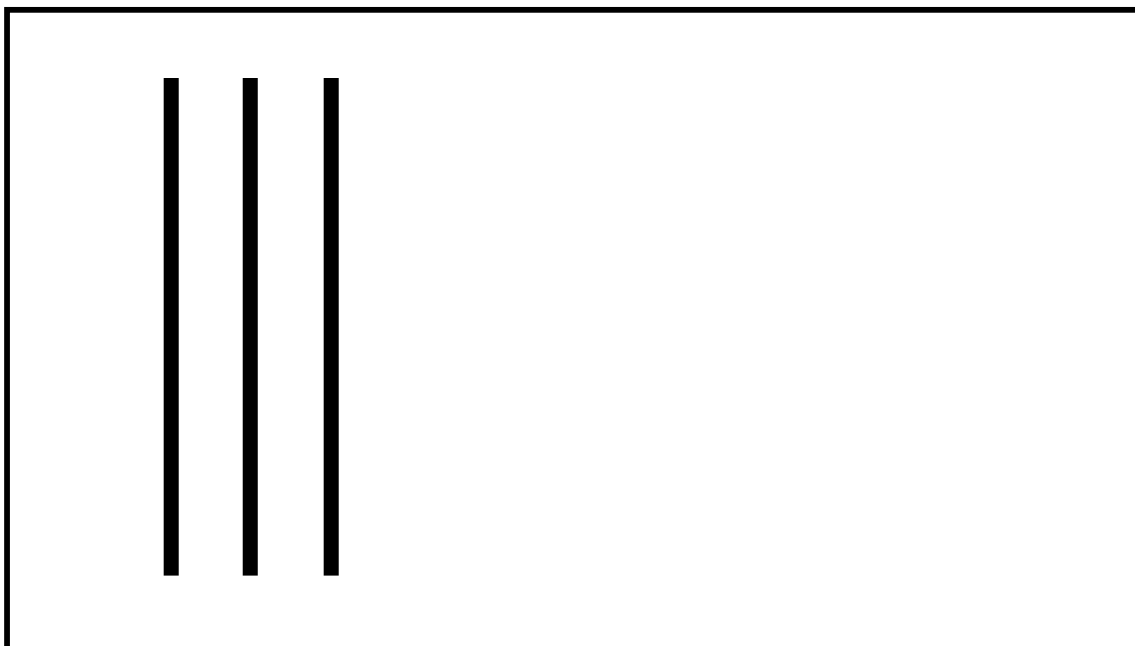

1.5. Schèmes mains, petit format, dessins : globalisation de 5 et de 10

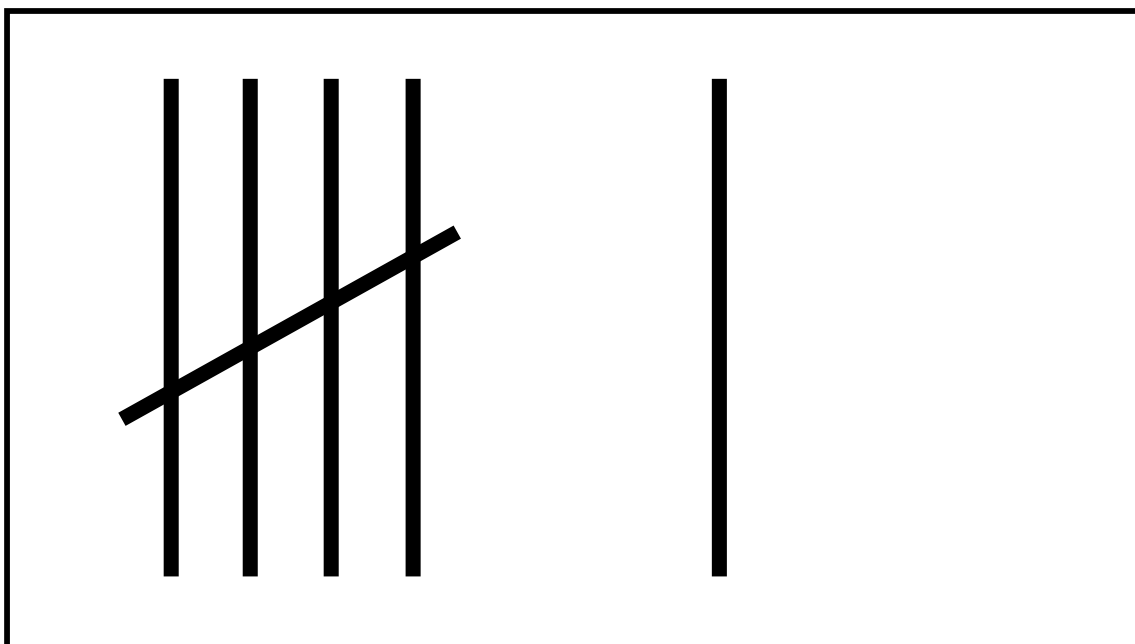

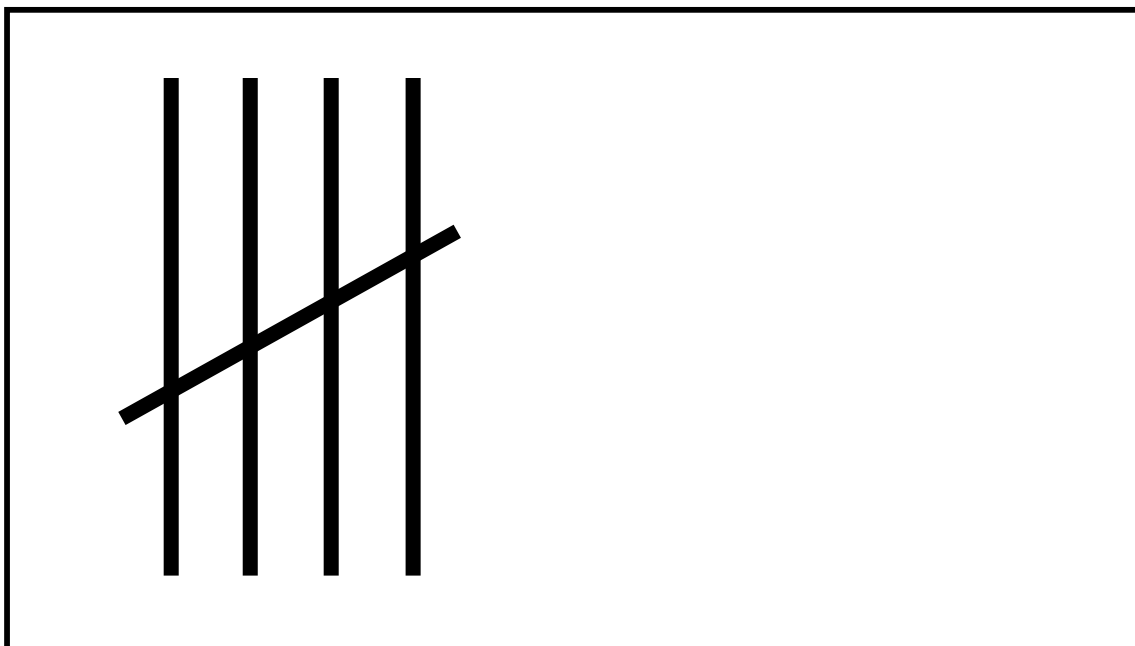

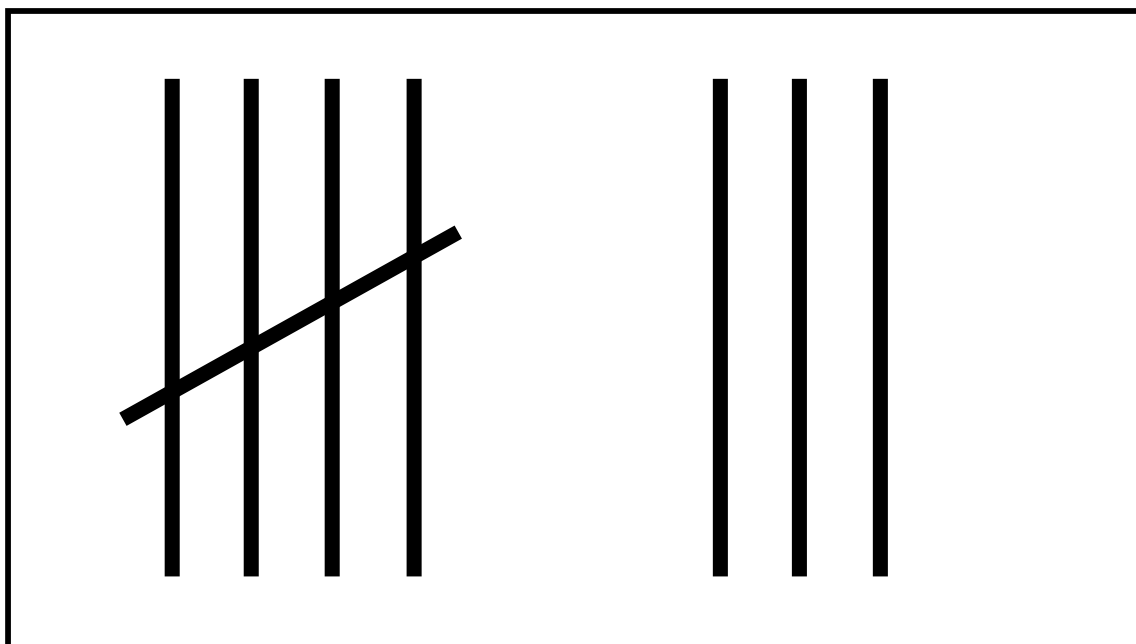

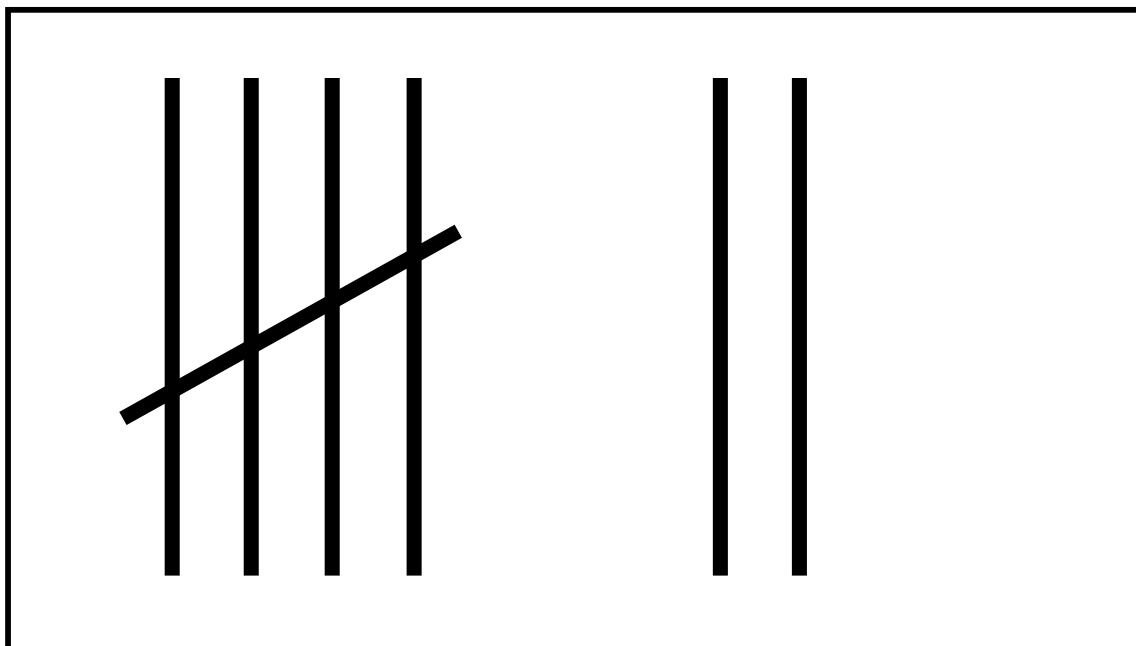

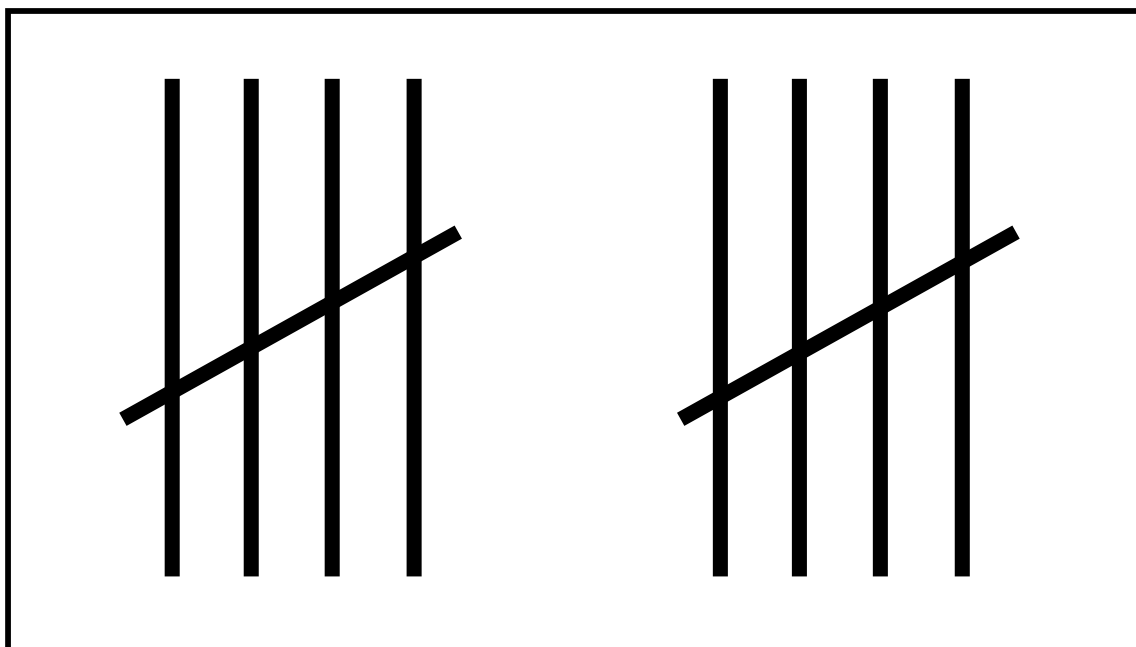

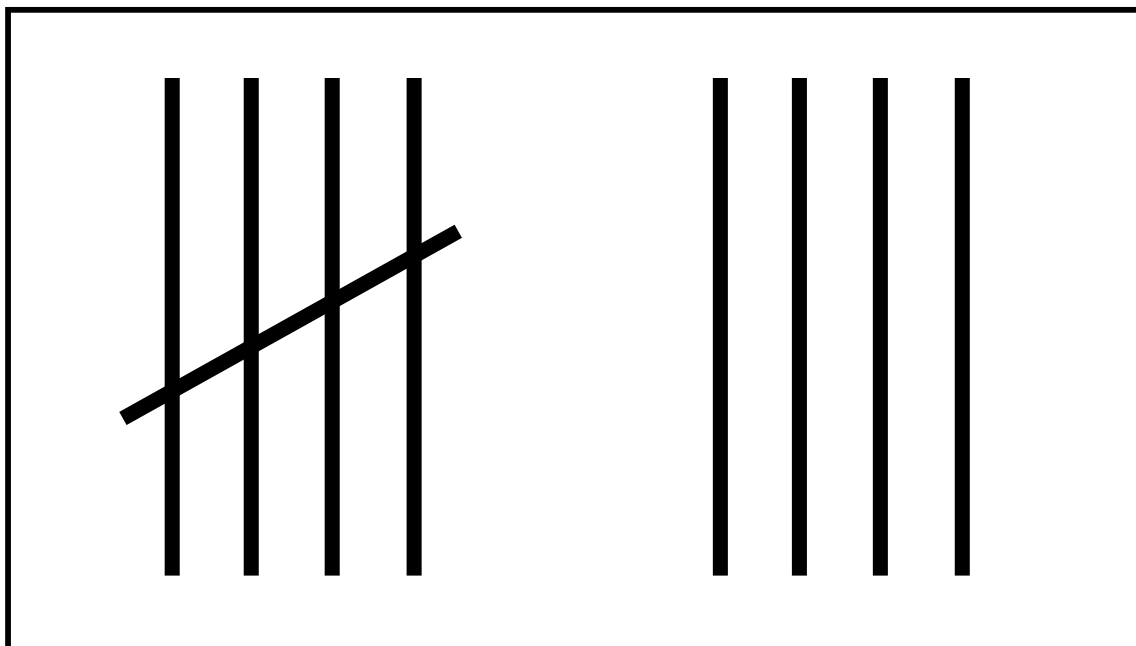

2.1. Schèmes barres, grand format, tous les uns visibles (non globalisant)

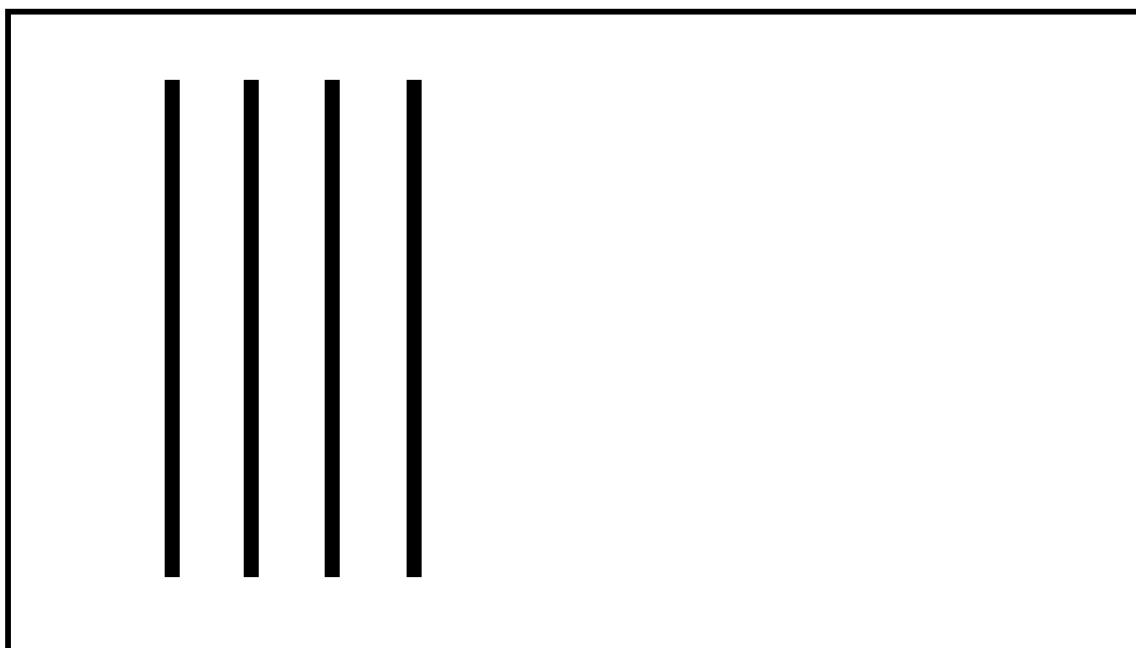

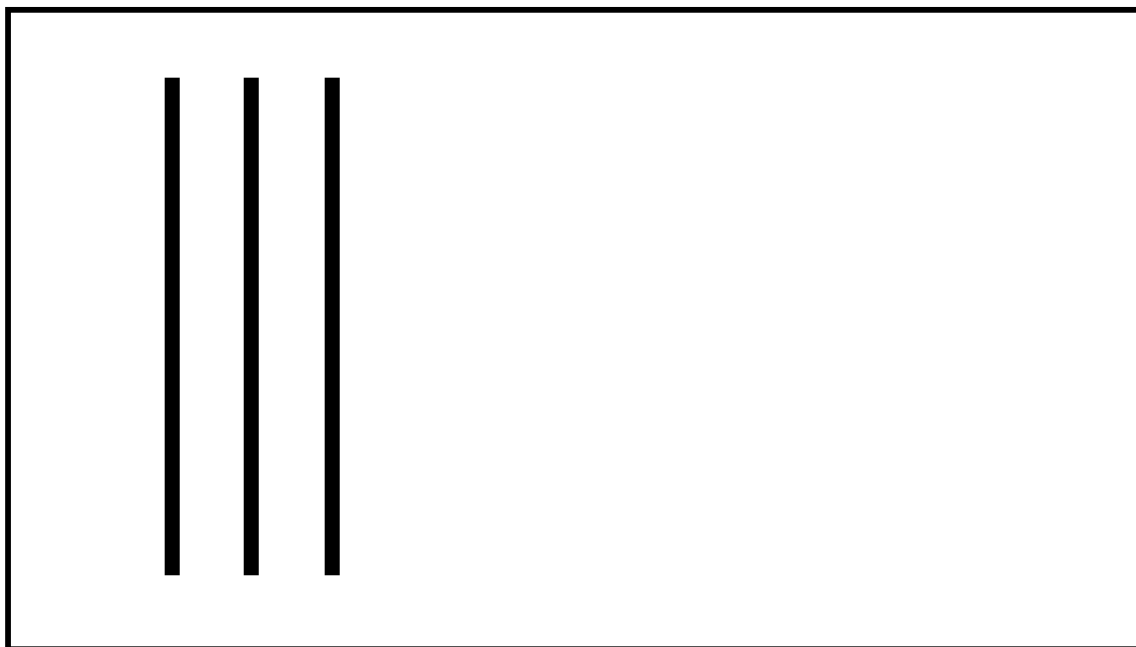

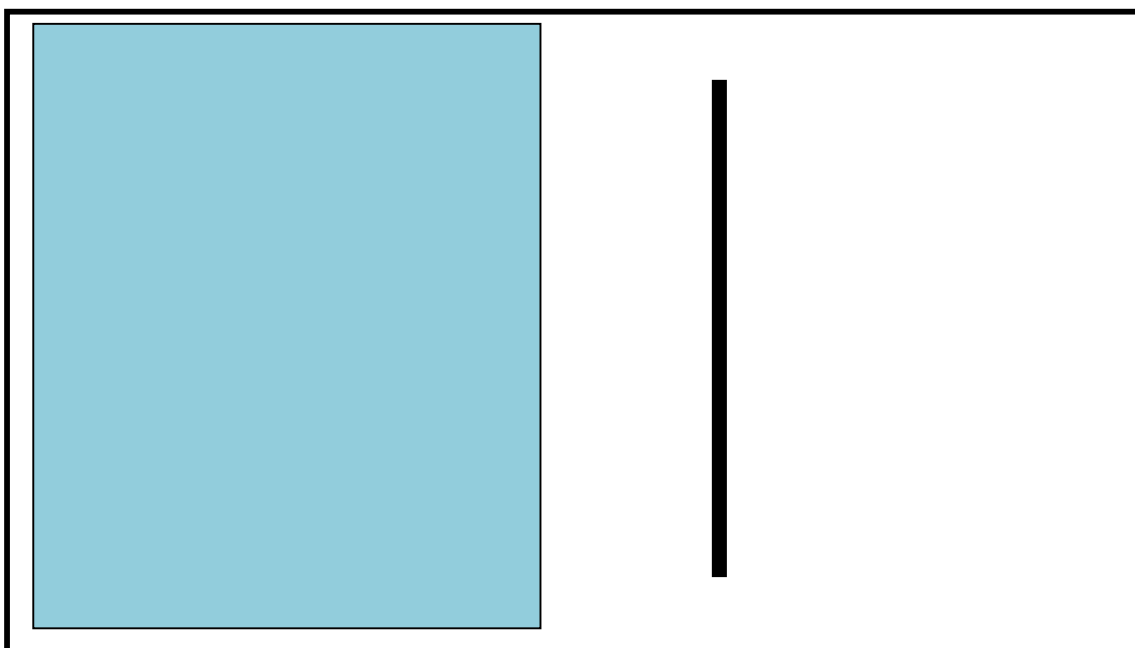

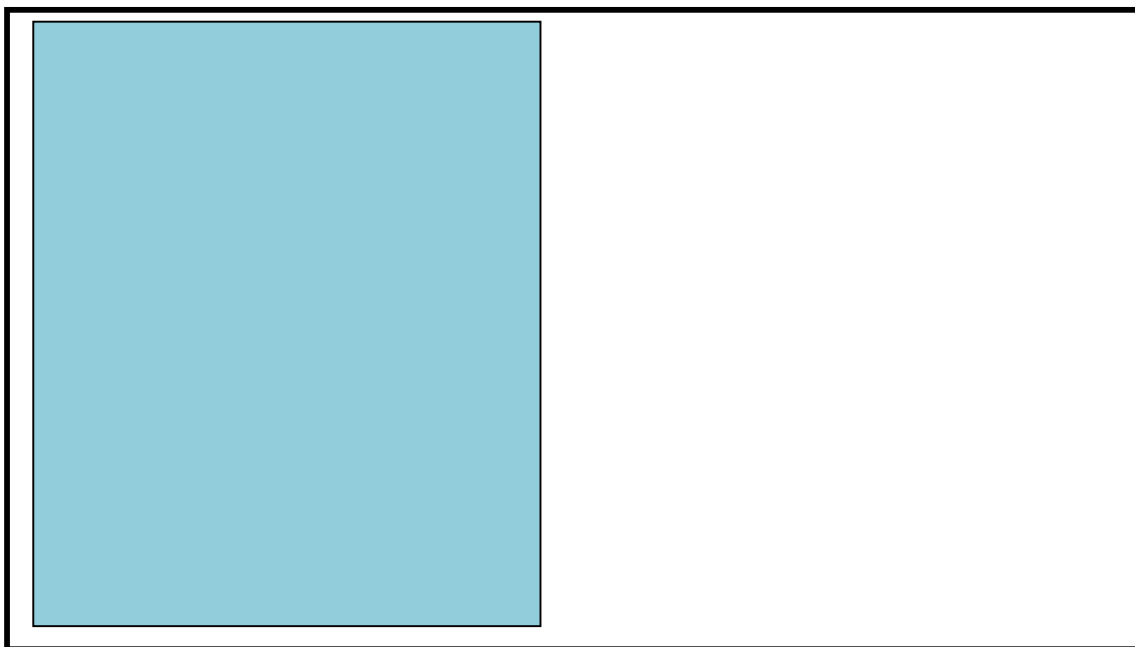

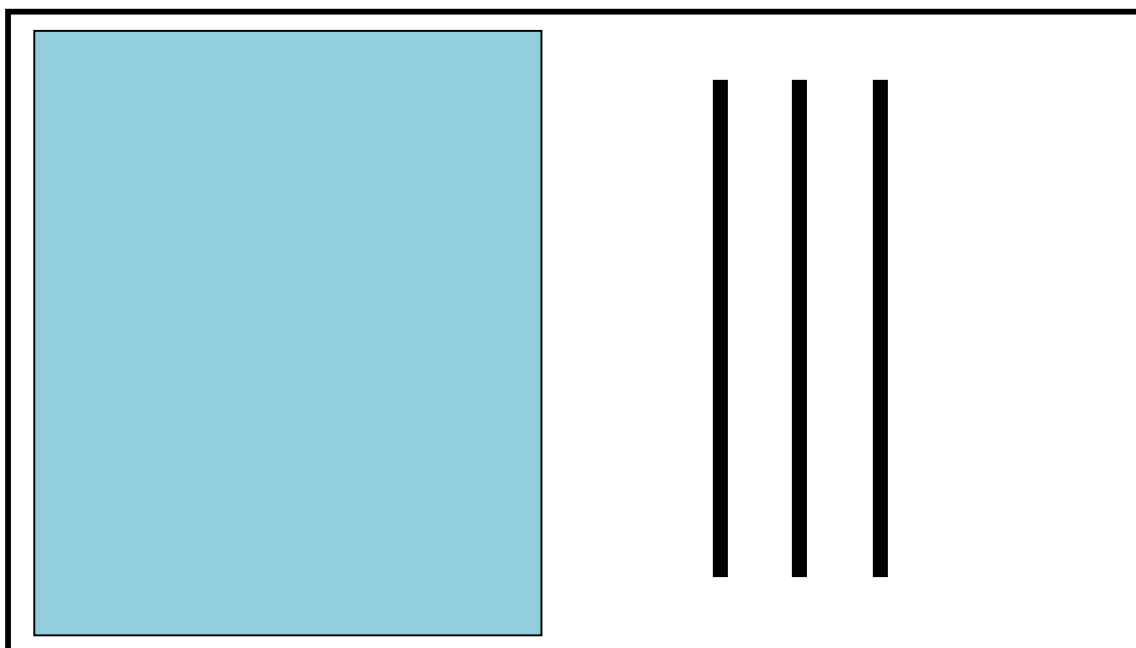

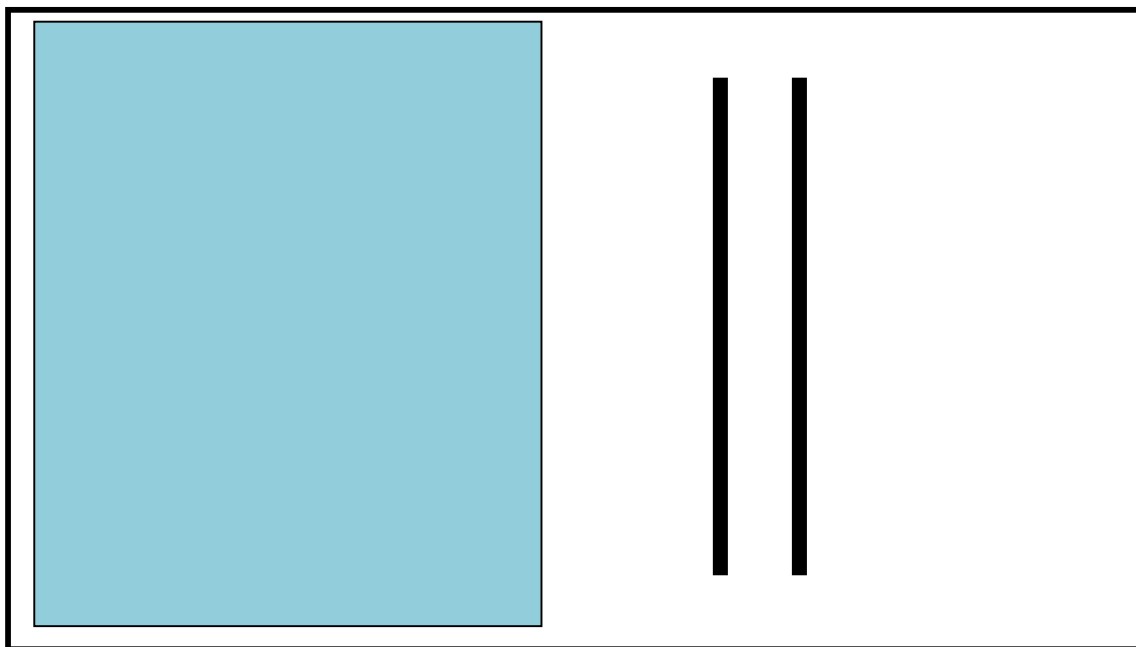

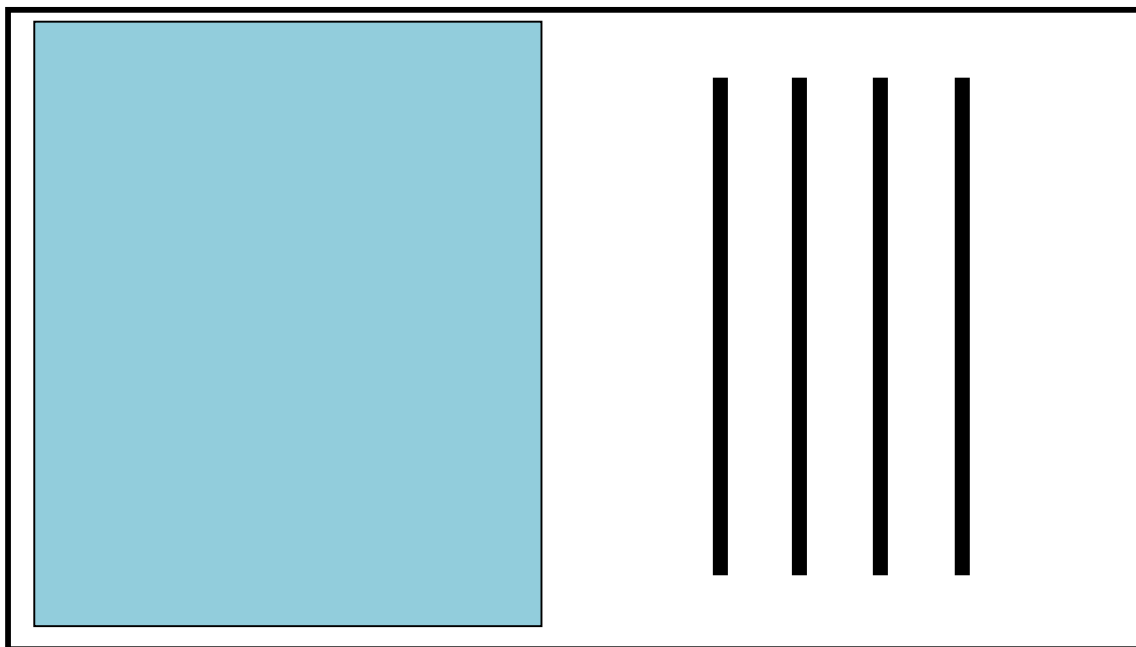

2.2. Schèmes barres, grand format, globalisation du 5 et du 10

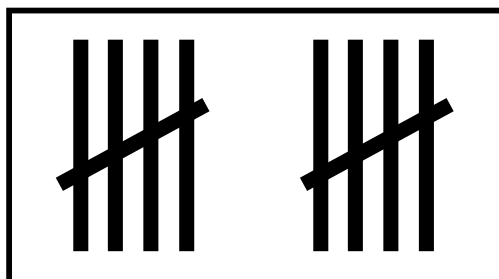

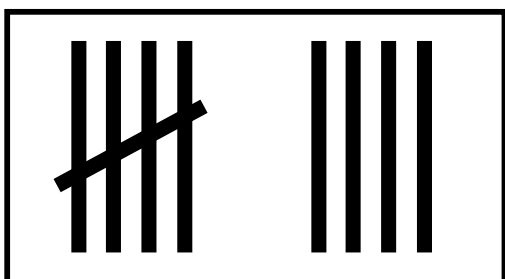

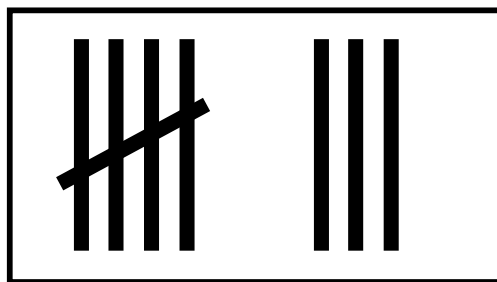

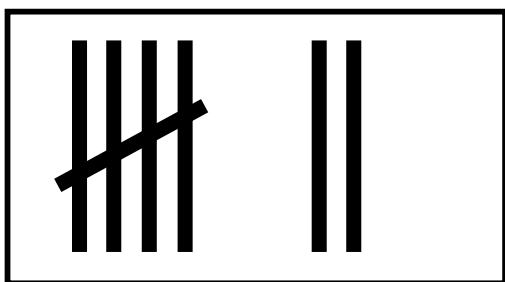

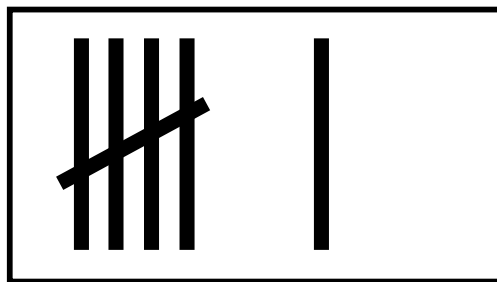

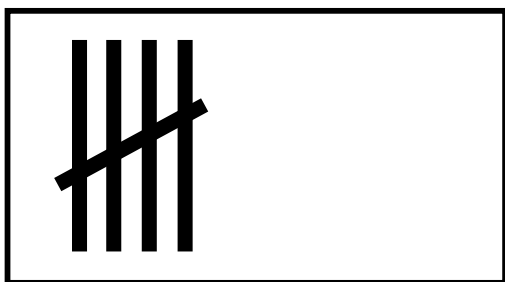

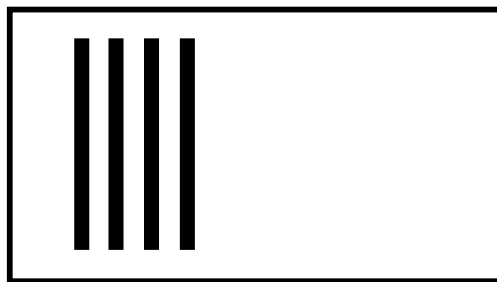

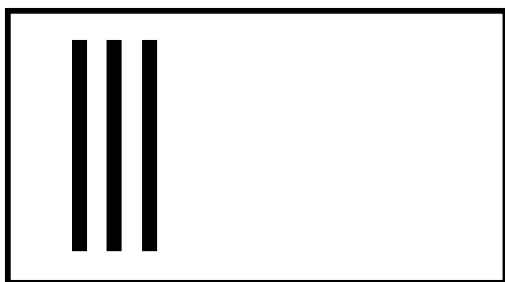

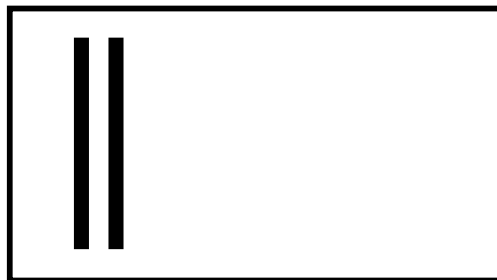

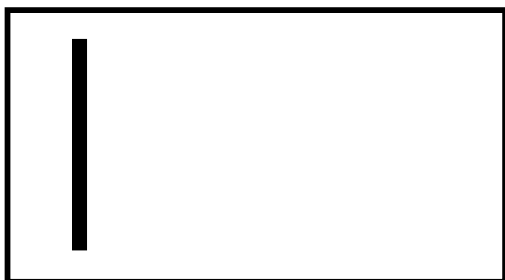

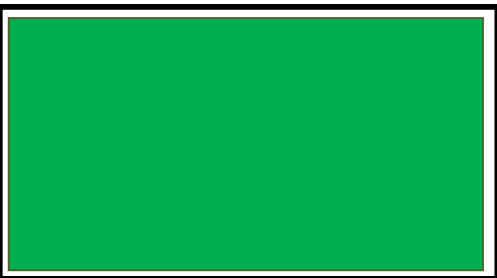

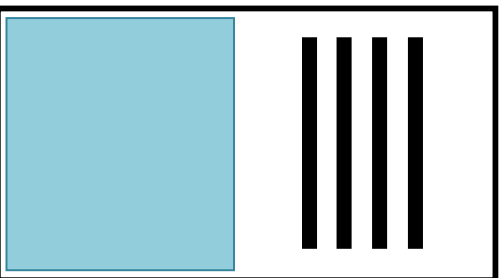

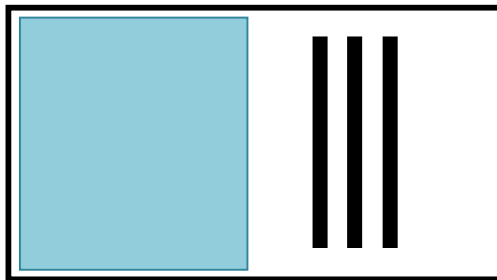

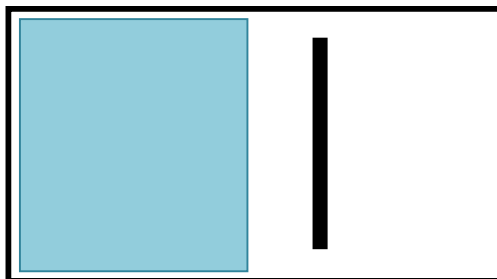

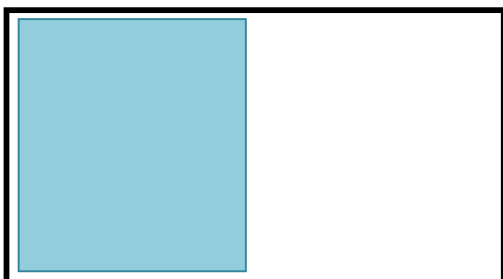

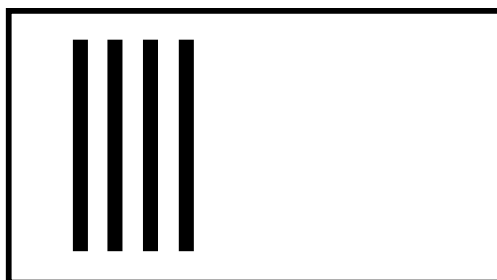

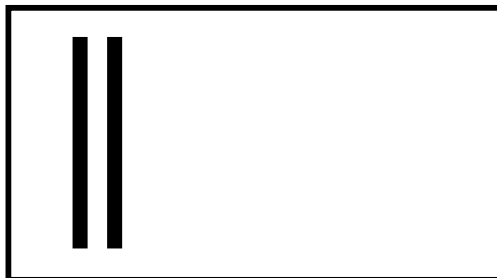

2.3. Schèmes barres, petit format, tous les uns visibles (non globalisant)

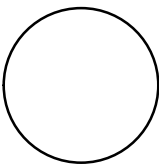

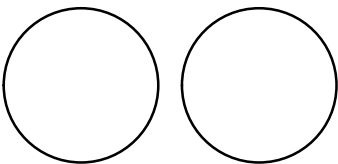

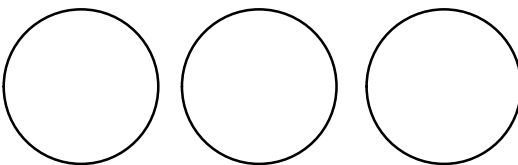

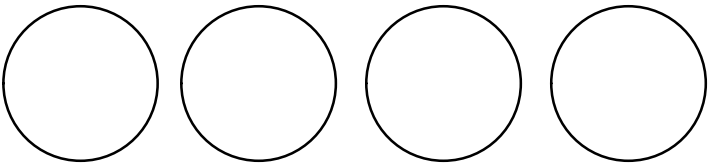

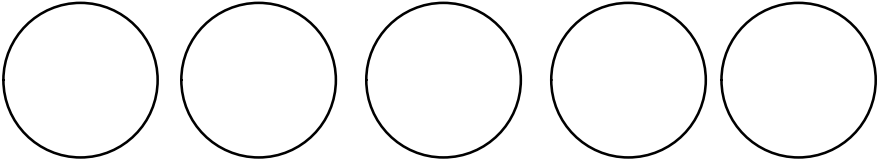

2.4. Schèmes barres, petit format, globalisation du 5 et du 10

F. Lucas et A. Lambert

Matériel de représentation des nombres
